

### Acidity

The common cause of digestive difficulties is excess acid. Soda cannot alter this condition, and it burns the stomach. Something that will neutralize the acidity is the sensible thing to take. That is why physicians tell the public to use Phillips Milk of Magnesia.

One spoonful of this delightful preparation can neutralize many times its volume in acid. It acts instantly; relief is quick, and very apparent. All gas is dispelled; all sourness is soon gone; the whole system is sweetened. Do try this perfect anti-acid, and remember it is just as good for children, too, and pleasant for them to take.

Any drug store has the genuine, prescriptional product.

of every woman—health and strength. They're brought to you by Doctor Pierce's Favorite Prescription, which is sold by druggists. It will build up, strengthen and invigorate the "run-down," nervous, or delicate woman.

One who has used it remarked: "When I was a young girl I worked as a stenographer for a large wholesale house where I was obliged to run up and down stairs a good many times a day, which is known to be very injurious to a woman.

In a very short time I had functional disturbances. I took the Prescription and it strengthened me and regulated my system.

"My mother took the Prescription" during middle life and was never down in bed a day during the whole time."—Mrs. M. E. Kennedy, 43 E. Ash St., Portland, Ore.

### CHILD'S COLD MAY BE FLU

### Careful Mothers Take No Chances

Five hours is too long for a child to have a cough or cold without taking steps to stop it. The sooner you start with Glessco, the quicker the cold will go. Break a child's cold with Glessco and you know that's one cold that won't develop into flu. Even doctors and trained nurses cannot distinguish the start of flu from a bad cold. So don't take chances. Treat every cold, quick, especially at this season of the year. Remember that Glessco, taken in time, will improve a cough in fifteen minutes and break a cold almost overnight. And without the use of opiates!

### Fire-Resisting Bark

The bark of a California big tree is, on large specimens, as much as three feet thick and is almost as resistant to fire as asbestos. A sample of the bark twelve inches square was placed in a lumber mill furnace, surrounded with dry pine and fir wood and burned for eight hours. When taken from the furnace the bark was merely charred on the outside. This resistance to fire is one reason for the longevity of the California big tree, which is known to attain an age of 4,000 years and may reach 6,000 or more. A mature specimen, twenty feet or more in diameter, sustained scores of forest fires in the days before the national parks and forests were protected. Other conifers of the western mountains, notably the sugar pine, yellow pine, red and white fir, also possess thick fire-resisting bark.

### DR. CALDWELL'S THREE RULES

Dr. Caldwell watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation is a mild vegetable compound. It can not harm the most delicate system and is not habit forming.

The Doctor never did approve of drastic physics and purges. He did not believe they were good for human beings to put into their system. Use Syrup Pepsin for yourself and members of the family in constipation, biliousness, sour and crampy stomach, bad breath, no appetite, headaches, and to break up fevers and colds. Get a bottle today, at any drugstore and observe these three rules of health: Keep the head cool, the feet warm, the bowels open. For a free trial bottle, just write "Syrup Pepsin," Dept. BB, Monticello, Illinois.

### Los Angeles Boy Needed Help

Leroy Young, 1114 Georgia St., Los Angeles, is a "regular fellow," active in sports, and at the top in his classes at school. To look at him now, you'd think he never had a day's sickness but his mother says: "When Leroy was just a little fellow, we found his stomach and bowels were weak. He kept suffering from constipation. Nothing he ate agreed with him. He was fretful, feverish and puny.

"When we started giving him California Fig Syrup his condition improved quickly. His constipation and biliousness stopped and he has had no more trouble of that kind. I have since used California Fig Syrup with him for colds and upset spells. He likes it because it tastes so good and I like it because it helps him so wonderfully!"

California Fig Syrup has been the trusted standby of mothers for over 50 years. Leading physicians recommend it. It is purely vegetable and works with Nature to regulate, tone and strengthen the stomach and bowels of children so they get full nourishment from their food and waste is eliminated in a normal way. Four million bottles used a year shows how mothers depend on it. Always look for the word "California" on the carton to be sure of getting the genuine.

#### Why Stop There?

It was a lecture about modern woman, being delivered by a modern woman.

One of the speaker's chief points concerned the modern, common-sense style of woman's dress.

"Do you know," she cried to her audience, who were nearly all of her own sex, "that our present style of sensible clothing has reduced accidents on trams, trains, and busses by at least 50 per cent?"

She paused to let this sink in. It gave a young man his long-awaited opportunity.

"You'll excuse me," he said politely, "but why not do away with accidents altogether?"—Stray Stories.

#### Charity Trail

Laying a trail of pennies placed edge to edge in the roadway and stretching from one end of the main street of Gibraltar to the other, was the novel method adopted to obtain a large amount of money for the Earl Haig fund for disabled soldiers. Sir Alexander Godley, the governor of Gibraltar, placed the first penny on the trail, which grew rapidly.

The only way to silence a woman is to ask how old she really is.

## COULD NOT SLEEP NIGHTS

### Helped By Lydia E. Pinkham's Vegetable Compound

Fairhaven, Mass.—"I am taking Lydia E. Pinkham's Vegetable Compound during the Change of Life and I think it is a wonderful tonic. When I feel nervous and run-down my husband gets me a bottle right away. It is a great help to me and I think that if other people would only take it when they feel all run-down and take it as the directions say, they would find it a great benefit. My worst symptoms were nervousness and tired feelings. I could not sleep nights and I did not care about my work. I was so nervous I would cry if anyone looked at me."—Mrs. Ada Bessie, 198 Washington Street, Fairhaven, Mass.
