WASHINGTON'S BIRTHDAY OBSERVED

Birthday the Father of His Country Celebrated

The 127th anniversary of the birth of George Washington was fittingly observed in the grade and high-schools of Ione on Friday morning. The program rendered by the high school was as follows:

Star Spangled Banner	School
Address	Pastor Congregational Church
Duet	Mildred Smith and Fern Engelman
Story	Thelma Morgan
Biography of Washington	Harold Kierade
Song: My Country 'Tis of Thee	School

How long since you looked at all your snapshots?

An evening arrives with nothing special to do. That's the time to get out all your snapshots—the farther back they go the more fun they'll be. When you see a well-loved face or scene, you think of all that has happened since the snapshot was made, and the evening becomes one of delightful reminiscence.

Prepare now for such evenings in the future. Get your Kodak out and use it. If you haven't one, come in and see our complete line. Eastman-made Brownies as low as \$2, and Kodaks from \$5 up.

For really successful picture-making, load with yellow-box Kodak Film.
