The Reflections of a Young Married Woman

are not pleasant if she is delicate, run-down, or over-worked. She feels "played-out." Her smiles and good spirits have taken flight. It worries her husband as well as herself.

One woman says: "All my married life I have taken Dr. Pierce's medicines when in need of help, the 'Favorite Prescription' when nervous, weak and run-down and it has never failed to help me each time; the 'Golden Medical Discovery' I have found to be the very best tonic. It builds up and enriches the blood, relieves stomach trouble and is excellent to take in springtime to put one's system in good condition."—Mrs. George Baker, 304 Grand Ave., Portland, Ore.

It May Be Urgent

CRYPTIC ENOUGH

Educated Egyptian—You have no wonderful hieroglyphics in America, no mysterious inscriptions, no indecipherable relict of an ancient literature whose secrets the wise men have tried in vain to discover.

American Tourist (humbly)—No, we haven't any of those things, I admit. But (brightening up)—we have our railroad time-tables.

A Loony Couple

"They say Boggs is crazy on the subject of golf and his wife is equally crazy over auction sales."

"Yes, and the funny part of it is they both talk in their sleep. The other night a lodger in the next flat heard Boggs shout 'Fore!' and immediately Mrs. Boggs yelled 'Four and a quarter.'"

WHY MINDS ARE CLEAN

She—Women's minds are so much cleaner than men's.
He—Yeh! Because they change them so often.

Chiggers Bite

Aches to ashes,
Dust to dust;
If the tourists don't bite
The chiggers must.

Wasted Efforts

Mrs. Wells—Yes, sure, the cook refused to drive out in our car when I offered it to her.

Hobby Wells—What excuse did she give?
Mrs. Wells—Said she wouldn't ride unless it was a self-starter, as cranking it reminded her so much of a washing machine.

Be Swamped With 'Em

"Too bad you ladies are not giving a rummage sale right now," remarked Mr. Grouch.

"Why?" asked his wife, suspiciously.
"Because I know a lot of men who gladly would contribute smoking jackets, bathrobes, bed-room slippers and boxes of cigars to it," he growled.

WANTED TO LEARN

Instructor—So you want to learn how to run your car?
Reggie—Oh, dear, no—the engine does that. I want to learn how to guide it, if you please.

Bargain Blisses

We cannot make bargains of blisses.
Or keep them like fishes in nets;
But sometimes the things our life misses
Help more than the things that it gets.

Zero in Cars

Blinks—He's always boasting about what his car can do.
Jinks—Huh! I've been out with him in that old tub and any car ahead has as much chance of being passed by him as a full-length mirror has by a pretty girl.

Meticulous

"They seem very particular on your paper."
"I should say so. I believe if they found a colon upside down, it would have to be altered."

Clever Boy

Reggie—Bah, jove, you know Ferdy has an accomplishment I would I could do.
Percy—A new dance?
Reggie—No, but the clever chap can actually yawn without taking his cigarette from his mouth.

Discharged by the Whale

Mrs. Jonah—I want to know what you were doing in the whale?
Jonah—Laboring.
Mrs. Jonah—Then you were thrown out of work.

This Little Girl Got Well Quick

"Just after her third birthday, my little daughter, Connie, had a serious attack of intestinal flu," says Mrs. H. W. Turnage, 217 Cadwalder St., San Antonio, Texas. "I left her very weak and pale. Her bowels wouldn't act right, she had no appetite and nothing agreed with her.

"Our physician told us to give her some California Fig Syrup. It made her pick up right away, and now she is as robust and happy as any child in our neighborhood. I give California Fig Syrup full credit for her wonderful condition. It is a great thing for children."

Children like the rich, fruity taste of California Fig Syrup, and you can give it to them as often as they need it, because it is purely vegetable. For over 50 years leading physicians have recommended it, and its overwhelming sales record of over four million bottles a year shows it gives satisfaction. Nothing compares with it as a gentle but certain laxative, and it goes further than this. It regulates the stomach and bowels and gives tone and strength to these organs so they continue to act normally, of their own accord.

There are many imitations of California Fig Syrup, so look for the name "California" on the carton to be sure you get the genuine.

DR. CALDWELL'S THREE RULES

Dr. Caldwell watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation is a mild vegetable compound. It can not harm the most delicate system and is not habit forming.

The Doctor never did approve of drastic physics and purges. He did not believe they were good for human beings to put into their system. Use Syrup Pepsin for yourself and members of the family in constipation, biliousness, sour and crampy stomach, bad breath, no appetite, headaches, and to break up fevers and colds. Get a bottle today, at any drugstore and observe these three rules of health: Keep the head cool, the feet warm, the bowels open. For a free trial bottle, just write "Syrup Pepsin," Dept. BB, Monticello, Illinois.

Helped at Change of Life

"Lydia E. Pinkham's Vegetable Compound is a wonderful medicine at the Change of Life. I would get blue spells and just walk the floor. I was nervous, could not sleep at night, and was not able to do my work. I know if it had not been for your medicine I would have been in bed most of this time and had a big doctor's bill. If women would only take your medicine they would be better."—Mrs. Anna Weaver, R. F. D. No. 2, Rose Hill, Iowa.
