

WHAT DR. CALDWELL LEARNED IN 47 YEARS PRACTICE

A physician watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the system and is not habit forming. Syrup Pepsin is pleasant-tasting, and youngsters love it.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for anybody's system. In a practice of 47 years he never saw any reason for their use when Syrup Pepsin will empty the bowels just as promptly.

Do not let a day go by without a bowel movement. Do not sit and hope but go to the nearest druggist and get one of the generous bottles of Dr. Caldwell's Syrup Pepsin, or write "Syrup Pepsin," Dept. BB, Monticello, Illinois for free trial bottle.

Auto Driver in Luck
Not until he saw his spare tire rolling away and felt his auto being whirled around did Alfred Bickford of Hollis, Maine, on his way home from Bar Mills, discover that he had crossed a railroad track and had been hit by a train. Bickford says that he was not even trying to beat the train to the crossing, for he didn't know there was a train or a crossing anywhere around. He was uninjured, but the car was badly damaged.—Indianapolis News.

A Tempting Price
She (with magazine)—It says here that the chemical constituents of a man are worth 98 cents.
He—And you women are great bargain hunters.

The skeleton of primitive Arkansas man was recently found, the bones being considerably larger than those of a 6-foot man.

Are You Ready

When your Children Cry for It

Baby has little upsets at times. All your care cannot prevent them. But you can be prepared. Then you can do what any experienced nurse would do—what most physicians would tell you to do—give a few drops of plain Castoria. No sooner done than Baby is soothed; relief is just a matter of moments. Yet you have eased your child without use of a single doubtful drug; Castoria is vegetable. So it's safe to use as often as an infant has any little pain you cannot put away. And it's always ready for the crueler pangs of colic, or constipation or diarrhea; effective, too for older children. Twenty-five million bottles were bought last year.

Wit and Humor

"LEND ME YOUR EAR"

A man was walking along the street, and he saw a house on fire. He rushed across the way and rang the bell. After some time, a lady, who proved to be slightly deaf, appeared at the door.

"Madam, your house is on fire."

"What did you say?"

The man began dancing up and down. He pointed above.

"I said your house is afire! Flames bursting out! No time to lose!"

"What did you say?"

"House afire! Quick!"

The lady smiled.

"Is that all?" she said sweetly.

"Well," replied the man, hopelessly, "that's all I can think of just now."

Eve's Job

Teacher—Tommy, why did God give Eve as wife to Adam?

Tommy (promptly)—To sew on his buttons.

Teacher—What! Why do you say that?

Tommy (brightly)—Why, because whenever daddy finds a button off his shirt he calls out: "Good Heavens, what have I got a wife for if she doesn't sew on my buttons?"

ALL SILK AND A YARD WIDE

Grace—Miss Pansie has caught a man at last. She says he is all silk.

Grace—Yes; but nobody else would have him because he's a yard wide.

Different Kinds

As "Beautiful but Dumb" we name The silent lass so gracious. We then salute another Dame As "Lovely, but Loquacious."

Testing Before Buying

Customer (for the fifth time)—"Now just put it on once more, please."

Assistant—But really, madam—

Customer—It's quite all right, I want to see if it wears well.

Old-Fashioned

"Her husband doesn't seem stylish enough to suit her."

"No, he embarrassed her terribly asking for old-fashioned shortcake."

MONEY TALKS

Bill—"He says money talks." Joe—"Yes, he found that out as soon as he married it."

Poor Judgment

Bill always claimed the right of way. But now he's out of luck. He tried to take it yesterday. From a 10-ton gravel truck.

Loved Dancing

She (at the ball)—I spent the summer in Germany. I love Danzig.

He—Shall we have this fox-trot, then, or is your cold too bad.

Seats for Two

"But why do her people object to him?"

"Well, there's seven in the family and he's only got a two-seater."

Quit Work Too Soon

A loud and objectionable bore had been talking for hours about himself and his achievements.

"I'm a self-made man, that's what I am—a self-made man," he said.

"You knocked off work too soon," came a quiet voice from the corner.—Wall Street Journal.

No Working Model

"They tell me you have a model husband, Mrs. Hicks."

"Yes, sir, but he ain't a workin' model."

Valuable Asset

"Yes," said the oculist, "he had a curious affliction; everything he looked at he saw double."

"Poor fellow, I suppose he found it hard to get a job?"

"Not at all. The gas company snatched him up and now he's reading meters."

So It Goes

"How is the murrage?"

"A modern instance. She thinks more of her job than she does of her husband."

Makes Life Sweeter

Too much to eat—too rich a diet—or too much smoking. Lots of things cause sour stomach, but one thing can correct it quickly. Phillips Milk of Magnesia will alkalize the acid. Take a spoonful of this pleasant preparation, and the system is soon sweetened.

Phillips is always ready to relieve distress from over-eating; to check all acidity; or neutralize nicotine. Remember this for your own comfort; for the sake of those around you. Endorsed by physicians, but they always say PHILIPS. Don't buy something else and expect the same results!

Idea for Milk Container

The plan for delivering milk in paper containers sounds extravagant. What is the housekeeper going to do with the containers when the milk has been used? Throw them out. Now, our idea is to have the bottles made of the same material as cones for ice cream, and rendered impervious to moisture by being treated with some digestible fat. Then the housewife can use the milk and eat the container, and there will be no waste.—Exchange.

The Ragged Edge

The Critic—Rimepinx is bringing out his works in style. Have you seen the new deckle-edged edition of his poems?

The Observer—No, but I notice he's still wearing the old edition of his deckle-edged pants.

Good at Drawing

"How is your son making out as an artist?"

"He's overdrawn at the bank."

Three Generations Endorse It

"When I was a young single girl I took Lydia E. Pinkham's Vegetable Compound because my mother did and she gave it to me. After I married I took it before my children were born and afterwards, and I have eight living children. I am now a grandmother and still take it and still recommend it when any one is tired and run-down."—Mrs. Alfred Iverson, St. Edwards, Nebraska.
