WORSE THAN EVER

A sorry looking individual was up before the magistrate.
"What is this man charged with?" asked the pompous official.
"He's a camera fiend of the worst type, sir," replied the constable who had arrested the prisoner.
"But," protested the magistrate, "you can't arrest a man because he has a mania for taking pictures."
"It isn't that, sir," the constable explained hastily, "he takes the cameras."

HOW SHE KNOWS

"Is your husband as loving and affectionate as ever?"
"I guess so. All the other girls say he is."

Found His Little Boss

A little love, a little hate,
And that was life;
A little hanging on the gate
And then a wife.

Meanings

"I did not quite gather the meaning of some of your recent remarks."
"They were intended," replied Senator Sorgium, "to show a disposition to be sociable and not controversial. Anything with a direct meaning in it is liable to be regarded as irritating and nonconstructive." — Washington Star.

The Reason for It

Maude—She claims she is the most modest girl in the world.
Anna—I can't understand her contention on that part. She uses lots of paint on her face.
Maude—Well, she claims that is to hide her blushes.

Farm Note

Timmons—And you turned down the job Senator Green offered you as his private secretary?
Simmons—Yes, you see I would have had to sign all his letters, Green per Simmons.—Capper's Weekly.

PERFECTLY WORTHLESS

"He's perfectly worthless, but always talking as if he's going to set the world on fire."
"Well, if he ever does, somebody will have to give him the matches."

Best Meal

"Dinner may be pleasant,
So may social tea,
But yet, methinks, the breakfast
Is best of all the three."

A Warning

Mrs. Muggins—It's raining and Mrs. Gordon wants to go home, and I have no umbrella to lend her except my new one. Can't I let her have yours?
Mr. Muggins—Hardly. The only umbrella I've got has her husband's name on the handle.

Overtime at Boss' Club

Employer—What is this item of four hours overtime work against your name?
Chief Clerk—Oh, that is the evening you took me up to your club, sir.

On the Job

Mrs. Knagg—I told you to watch little Jane Marie while I was out and you've let her cut her new dress all to rags.
Her Husband—I know, I was watching her while she did it. Did you wish me to interfere?

Not So Bad

"You say your son has gone to the bad, but you don't look as if it worried you."
"It doesn't. He has been appointed warden at the state penitentiary."

OLD FOLKS SAY
DR. CALDWELL
WAS RIGHT

The basis of treating sickness has not changed since Dr. Caldwell left Medical College in 1875, nor since he placed on the market the laxative prescription he had used in his practice.

He treated constipation, biliousness, headaches, mental depression, indigestion, sour stomach and other indispositions entirely by means of simple vegetable laxatives, herbs and roots. These are still the basis of Dr. Caldwell's Syrup Pepsin, a combination of senna and other mild herbs, with pepsin.

The simpler the remedy for constipation, the safer for the child and for you. And as you can get results in a mild and safe way by using Dr. Caldwell's Syrup Pepsin, why take chances with strong drugs?

A bottle will last several months, and all can use it. It is pleasant to the taste, gentle in action, and free from narcotics. Elderly people find it ideal. All drug stores have the generous bottles, or write "Syrup Pepsin," Dept. BB, Monticello, Illinois, for free trial bottle.

We often hear of the sweet simplicity of childhood, but every mother considers her baby cunning.

Before and After Childbirth

"I took Lydia E. Pinkham's Vegetable Compound before my first baby was born and I am taking it now for my weakened condition after the birth of my second boy. Although I never have put on any flesh I am feeling good now and the Vegetable Compound has helped me in every way. It is surely a wonderful medicine and I will be glad to answer letters for I recommend it highly."—Mrs. Fred W. Davey, Madison, Kansas.

Makes Life Sweeter

Children's stomachs sour, and need an anti-acid. Keep their systems sweet with Phillips Milk of Magnesia! When tongue or breath tells of acid condition—correct it with a spoonful of Phillips. Most men and women have been comforted by this universal sweetener—more mothers should invoke its aid for their children. It is a pleasant thing to take, yet neutralizes more acid than the harsher things too often employed for the purpose. No household should be without it.

Phillips is the genuine, prescriptive product physicians endorse for general use; the name is important. "Milk of Magnesia" has been the U. S. registered trade mark of the Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.
