Grange News

The Willows Grange members and their guests participated in one of the most enjoyable social evenings of the year, honoring P. G. Balsiger, Mrs. Wicklander and Mrs. Wicklander, Saturday night.

A pleasing program prepared by the Lecturer, consisting of selected quartet and solon numbers was well received.

A mock wedding completed the program. Earl Morgan served as minister, Mrs. Helker as the "blushing bride", Elmer Cool as groom, Elmer Peterson, best man and Mr. Rowell as the bride's father. With the six bridesmaids and ushers, flower girl and ring bearer, the bridal party was complete.

Mr. Wicklander expressed his appreciation in a short address of well chosen words.

A Sweeping Success
because it
offers Big Car
Qualities for only \$745

The New Pontiac Big Six is a sweeping success—an even more pronounced success than its famous predecessors. And it owes its success largely to the fact that it offers big car qualities at low prices. Oakland produced this car to enable progressive people to step up in motor car quality without leaving the low-priced field. And the very people for whom it was created have made it an impressive sales success.

Pontiac Big Six, \$745 to \$895, f.o.b. Pontiac, Michigan, plus delivery charges. Bumpers, spring covers and Lovejoy shock absorbers regular equipment at slight extra cost. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list price when comparing automobile values. . . . Oakland-Pontiac delivered prices include only reasonable charges for handling and for financing when the Time Payment Plan is used.
