Varying Quality of Fur
It is not definitely known why some badgers when caught have a pre-eminence of hair and others a pre-eminence of fur. The proportion of the different type of pelage varies in different parts of the year, likewise with the habits of certain animals, under which conditions the hair or fur may be rubbed or broken off.

Steeplechase Obstacles
The highest jumps in the British Grand National F. C. are thorn fences 5 feet high and 2 feet thick. One of the fences is 4 feet 10 inches high and has a ditch on the take-off side 6 feet wide and 4 feet deep. Becher's brook is a thorn fence 4 feet 10 inches high with a brook on the far side 8 feet wide and 4 feet deep.

Wood for Toothpicks
White birch is used most extensively for the making of toothpicks. The seat of the industry is in Malmo, but some are imported from Japan and Portugal. The Portuguese toothpicks are made of orange wood and are smaller and tougher. Those from Japan are made from fine reeds.

Obnoxious Gas
George had been attracted to a house in the neighborhood by the assembled crowd. After an investigation he came to his mother saying: "I went down to Boyd's to see what was the matter. Mr. Boyd is about dead with obnoxious gas in his garage."

Danger in Bouquet
Care must be taken in smelling flowers that one does not inhale too vigorously, because tiny insects that live on the flower may thus enter the nasal passages and cause considerable inflammation.

Flags on Merchant Vessels
By an ancient rule of the sea merchant ships fly two flags. On the foremast is the flag of the port to which the ship is bound, and on the stern mast the flag of the ship's country is flown.

Marks of Inefficiency
The inefficient man usually overemphasizes the unimportant and neglects the important. He practices petty economies and neglects big opportunities.—Woman's Home Companion.

Character Formation
There cannot be any goodness unless it is a practiced goodness. Genius forms itself in solitude, but a character in struggling with the world.—George Meredith.

Has Many Rivals
"He who seeks riches," said Hi Ho, the sage of Chinatown, "must not be surprised if he loses his own purse to those whose quest is similar."—Washington Star.

Not Matter for Pride
Jud Tankins—there's not much satisfaction in a friendship that is due to the fact that somebody thinks he can use you in his business.—Washington Star.

Hard and Soft Rubber
Soft rubber contains about 2 to 4 per cent sulphur, hard rubber about 80 per cent. A relatively longer period is required for vulcanizing hard rubber.

Inside Troubles
Mankind's inner poverty, littleness, narrowness is the poisoned spring from which most unhappiness flows.—Farm and Fireside.

The Way Home
Children in Moscow are to be supplied with "passports" so policemen may return them promptly when the tois stray afield.

His Name Is Legion
He's the kind of man, we said admiringly, who would never get steamed up over cinnamon toast.—Fort Wayne News-Sentinel.

Between Curbs
Such steps as the polestrin may take to defend his rights must necessarily be fast ones.—Fort Wayne News-Sentinel.

Where Pleasure Lies
Owning the richest assures in the world is useless unless someone else shares them.—American Magazine.

Canada in Third Place
Canada ranks third in importance as a source of metals of the platinum group, after Russia and Colombia.

What to Do?

Adrift With Humor

BEYOND HIM

The cyclist had lost his way and had inadvertently got on a private road. Suddenly he was confronted by a very stout and irate bailiff. "Look here, young man," shouted the bailiff, "you go back! You'll not proceed except over my dead body!" "Very good," replied the cyclist. "If it's like that I'll go back. I've done quite enough hill climbing for one day!"—London Tit-Bits.

WOULD DO FOR TWO

Friend—My, you'll have clothes enough for two brides.
Modern Bride—Well, maybe I can make them last for two bridegrooms then.

Gates Ajar

Here lies the Gabriel's trumpet peals. The bones of Shelby Sharp. He dozed while holding a steering wheel. And woke up holding a harp.

Lot of Us in That Fix

Blinks—I'm just exactly where I would be if I'd had money enough to have gone into the stock market.
Jinks—Meaning just what?
Blinks—Well, I'm broke now and that's what I would still be if I had put a lot of money in the stocks I'd picked if I'd had the money.

Fearing a Foul

The Movie Doctor—Here's where you do a little rough boxing with a bear. When you get tired you can stop it by going down for the count of ten.
The Star—Fine! Are you sure the bear can count up to ten?

Big Business

"I wonder why Maude claimed she was only twenty-five when that rich old man was courting her?"
"Oh, she made a liberal allowance for cash, I suppose."

BURNT OUT

Bobbie—Ma, Mr. Smith must have been on fire, I think.
Mother—Oh, I hope not. Why do you think so?
Bobbie—I heard daddy say Mr. Smith was a burnt out sport.

Market Formulas

In speculation we begin Old formulas to use. If you are fortunate, you win. If you are not, you lose.

Eyes on the Gold Coast

Blinks—What is your wife's ambition?
Jinks—I think it is to be able to move into a neighborhood where the children don't have the same father for more than a year at a stretch.

Encourage Him

"20—And of course I expect that you'll pay me what I'm worth."
Employer—I'll go further than that. I'll even give you a small salary to start.

Didn't Last Long Enough

Will—I've found a wonderful dentist. Every time he extracts a tooth he gives his patient a drink to stimulate him.
Joe—Then what are you so gloomy about; did he run out of hooch?
Will—No; I ran out of teeth.

Not for Him

"Who is it on the phone?"
"Somebody wants 'dearest.'"
"That's for one of the younger men," opined the boss.

IT'S folly to suffer long from neuritis, neuralgia, or headaches when relief is swift and sure, with Bayer Aspirin. For 28 years the medical profession has recommended it. It does not affect the heart. Take it for colds, rheumatism, sciatica, lumbago. Gargle it for a sore throat or tonsillitis. Proven directions for its many uses, in every package. All drug stores have genuine Bayer Aspirin which is readily identified by the name on the box and the Bayer cross on every tablet.

Crystal Mineral
"Spar" is a general name in mineralogy for a crystal mineral which is nonmetallic and easily cleavable.

Coast to Coast good Grocers sell and recommend Russ Ball Blue. Better value than any other.—Adv.

Patriotism and politics seldom work together at the polls.

When Food Sours

Lots of folks who think they have "indigestion" have only an acid condition which could be corrected in five or ten minutes. An effective anti-acid like Phillips Milk of Magnesia soon restores digestion to normal.

Phillips does away with all that sourness and gas right after meals. It prevents the distress so apt to occur two hours after eating. What a pleasant preparation to take! And how good it is for the system! Unlike a burning dose of soda—which is but temporary relief at best—Phillips Milk of Magnesia neutralizes many times its volume in acid.

Next time a hearty meal, or too rich a diet has brought on the least discomfort, try—

TOOK ADVICE OF HER MOTHER

Praises Lydia E. Pinkham's Vegetable Compound

Wetmore, Colo.—"When I was married 14 years ago I was in bad health for a couple of years and when I tried to do anything I would get tired and worn-out. I have taken Lydia E. Pinkham's Vegetable Compound off and on all these years and have recommended it to hundreds of women. I have given birth to six children and have taken the Vegetable Compound as a tonic before child birth. It has done me worlds of good. My mother had taken it several times and she recommended it to me."—MRS. JOHN BAASMA, Wetmore, Colorado.
