### MILT MORGAN HURT

As a bull that had been sold to the butcher at Heppner was being loaded into a truck, at the Morgan place just below Ione, the animal broke away, knocked Mr. M. R. Morgan down rolled him on the ground and trampled on him in efforts to gore him. Fortunately the bull's horns had been sawed off and we understand that while Mr. Morgan was badly bruised, no bones were broken and his injuries are more painful than they are dangerous.
