## Grange News

WILLOWS GRANGE

The grange drill team, composed of the young folks of the grange, has been practicing Saturday evenings. The drill is quite beautiful and is to be given as a part of the lecturer's program next Saturday evening. Several piano selections, a couple of skits, bass solo, dialog and a paper entitled, "Magie Adventure of Summer Days", will make up the program.

This being the regular meeting of the grange, there is some business to attend to and a class to initiate besides the regular routine. Ice cream and cake will be served for lunch. Grangers please be present and do your bit!

## BIRTHDAY PARTY FRIENDS OF F. A. LUNDELL CELEBRATE ANNIVERSARY

Mr. F. A. Lundell was completely surprised last Saturday, August 17, when twenty eight of his friends and relatives came to spend the afternoon with him.

The occasion was his 81st birthday. The self invited guests brought delicious refreshments which were served at the close of a pleasant afternoon. Besides Mr. Lundell, those present were Mr. and Mrs. E. R. Lundell and Mildred Richard, Helen and Norton, Mrs. J. E. Swanson and Eva Norman and Beverly June, Mrs. C. W. Swanson, Mr. and Mrs.

## IONE SCHOOL TO OPEN SEPTEMBER 2

Prospects Favorable For Banner Year. Outside Districts Sending In Pupils.

School will be opened at Ione the morning of September 2nd. From all appearances this coming year will be a banner year. Several outside districts are planning to send their children to the Ione School. We gladly welcome them. The school will open with a splendid corps of teachers.

The school law requires that entering pupils in the first grade shall be six years of age. However children will be accepted into the first grade whose birthdays will be before the Christmas holidays. We reserve the privilege of not accepting a pupil who would do better work by remaining out for another year. Be sure your child will make a strong pupil in school before you send it. Better wait until seven years of age and give the child a strong start than to start too early and always have it working under a handicap.

We especially welcome additions to our High School Student Body. If you are planning to attend high school, why not come to Ione. We can prepare you for college or give you a variety of courses. Under the able leadership of Kenneth Smouse, the Ione Student Body promises to be a live wire.

The teachers for the coming year will be as follows: First and Second grades, Miss Knight; Third and Fourth grades, Miss Hildegard Williams; Fifth and Sixth grades, Miss Frieda McMillan; Seventh and Eighth grades, Mrs. Harriet Brown. The high school teachers will be Mr. C. M. Daniel, Coach, Miss Irene Anders, and Miss Lucile Rhoten.

We are hoping for a great year. We earnestly ask for the co operation of all.

EARLE A. BROPN, Supt.

## Personal Mention

Mr. and Mrs. Charles Chick of Eugene, were calling on friends here, Monday. They were making a motor trip to Spokane and other points.

Mrs. Carl Leathers of Monument visited, Friday, with her mother, Mrs. J. E. Grimes. Mr. Leathers is here driving truck for Mr. Grimes.

Guests in the I. R. Robison, home, Sunday and Monday, were Mr. Robison's sister in-law, Mrs. Irwin Robison, and his sister, Mrs. George Goss, of Maryhill, Washington. When they returned home they were accompanied by Miss Florence Robison who has been visiting here for a week. After a week's stay in Maryhill Miss Robison will go to Portland to resume her work in the city schools.

## FATAL AUTO ACCIDENT

Youngest Son of Prof. and Mrs. Glenn Burroughs Killed

Last Wednesday, Mr and Mrs. French Burroughs received word of the death of their grandson, Ben Allen Burroughs, age 18 months. The child was the second son of Prof. and Mrs. Glenn Burroughs, who reside at Kirksville, Mo., where Prof. Burroughs is engaged in educational work. They were on their way to Michigan to spend their summer vacation when they were with on auto accident that resulted in the instant death of the little boy. The parents had the body prepared for burial and then started back home, taking the little body in the car with them. After two days and two nights of almost continuous driving they reached Kirksville where funeral services were held. The father and mother and the older *Continued on page 4.*

## AESOP SAID:

"Whatever you do  
do with all your might."

THE electrical industry has been following this advice since the day in 1882 when Edison placed in operation the first central station.

It is because it has always done everything that the country has 19,000,000 electrified homes, 500,000 electrified farms, an industrial system that has dignified labor by making the worker a director of power, and a standard of living that is the marvel of all the world.

It is because it has always done everything with all its might that service has been extended to more than 4,000 communities during the past five years.

It will continue to do everything with all its might until the United States has been as completely electrified as is practicable.
