Local Happenings

Harold Rankin was called to Portland, Wednesday, September 25. Mr. Rankin Sr. died in a Portland hospital. Interment was made in Lincoln Memorial Park cemetery. He had been ill for many months and his death was not unexpected. He leaves to mourn his loss his wife and six children.

Mrs. Ida Fletcher has given up her position as cook at the Ione Hotel and Mrs. Walter Corley is at present acting in that capacity.

Frank Engelman who has been who has been quite ill for several weeks, is improving.

Mrs. Cole Smith and daughter Mildred, went to The Dalles, Friday, returning Sunday. While there they were the guests of Mrs. Smith's sister, Mrs. J. W. Hoeh.

Miss Beth Elder spent the week end visiting the home folks at Sunnyside, Wash. She made the trip with Miss Hildegarde Williams who drove to Prosser to visit friends.

Harvey Hatcher has given up his work with the section crew of the O. W. R. & N. He is storing his household goods and he and his wife will leave shortly on an auto trip, visiting relatives and seeking a new location. Mr. and Mrs. Hatcher have lived in Ione nine years and eight years of that time Mr. Hatcher has worked for the railroad company.

Mrs. Sam Warfield and her small son departed, Tuesday for their home at Peck, Idaho. Mrs. Warfield has been visiting here for several weeks. She was accompanied by her mother, Mrs. Oscar Cochran.

Leading Surgeons of the world are now advising you to keep your tonsils by having them restored to natural size and functions. Dr. J. Perry Conder has been doing this for 21 years in Morrow County. [Adv.]

Rev. Paul DeF. Mortimore of Gladstone preached in the Christian church, Sunday evening to a good sized audience. Rev. Mr. Mortimore had preached in Hariston in the morning and from Ione went to The Dalles to attend the church rally Monday evening.

There is nothing slow about Dwight Mieser. He left here Sunday morning, headed for the mountains in search for a deer. He returned before dinner with a fine buck.

Robert Harrison Jr., who is a student in architecture at the University of Oregon is also express boy and mail clerk on the Southern Pacific railroad. Each week end he makes three round trips between Eugene and Marshfield. Bob is indeed a busy boy.

One night recently the train on which Mr. Harrison, was making a trip killed two fine bucks. The deer were evidently blinded by the light.

Mr. and Mrs. Cleo Drake have moved into the house on Third Street which they purchased a short time ago.

Lack of Technique

Sally Bender is up in arms as a result of Jennie Jenks claiming to be knitting champion of Pampinville Hollow. Sally says Jennie don't even know how to knit her brows.—Farm and Fireside.

Tribute to Love

Love is the crowning grace of humanity, the holiest right of the soul, the golden link which binds us to duty and truth, the re-creating principle that chiefly renews the heart to life, and is prophetic of eternal good.—Petraich.

TUBERCULIN TEST

The State Veterinarian will be here for a short time only, this week. If you desire a bovine test, communicate with the County Agent at once.

Get Used to Grumbler

The habitual grumbler, strangely enough, is often a cheerful grumbler. He grumbles from habit more than from a real cause, and people, while willing enough to listen to him, seldom take him very seriously.—Exchange.

Escapes Forest Fire

When the fire approached, they all burrowed into the ground in nearby stubble field and in this way saved their lives. The old gentleman's home was completely destroyed. The Fred Ely family reside in Estacada. Miss Ely, also a former student of the Ione school, is teaching at Moro.

Spelling Varied

The Old Testament was written in the Aramaic and older Hebrew, the New Testament in the later Hebrew and possibly to some extent in Greek. This accounts for the difference in spelling in the translations.

Crockery Wreckage Huge

More than 200,000 glasses were smashed in the last year on the restaurant cars of a German company which has about 600 cars in the international European traffic. The glasses smashed represent five times the normal number carried. One hundred thousand pieces of crockery are in use, but more than twice that number are broken annually. Only 27,000 beer glasses are in use, but 114,000 are broken each year.

And Some Not So Average

The average man would much rather have his hands than his face on a five dollar bill.—Louisville Times.
