HIGHSCHOOL ATHLETICS

Ione Loses to Arlington

There was plenty of action on the Arlington gridiron when Ione tangled with Arlington Hi. Ione tore into Arlington like madmen though they were greatly outweighed. Arlington scored on touchdown in the first frame by a center buck. The second touchdown was made in the second half by a pass across the goal. The last pass was made with a long end run by Learned. The final count was: Arlington 18, Ione 0. Next Saturday Ione meets Condon on the Ione field. Since Condon is one of the strongest teams in the league, Ione expects to play one of the fastest and best games of the season. Ione has played two games now and will most likely make a very good showing.

The lineup for the Arlington game was:

Lundell and Mason	L. E.
Ely	L. E.
Estab and Lieullen	L. G.
Ritchie	C.
Everson	R. G.
K. Smouse	R. T.
P. Smouse and Morgan	R. E.
McCabe	Quarter.
Kincade	R. H.
Swanson	L. H.
Clark	F. B.
Referee	Parish.

GRAMMAR SCHOOL

IONE vs LEXINGTON

The Ione grade boys played real football with the Lexington grade boys on the Lexington field last Saturday. The score was 28 to 7 in favor of Ione. Berie Akers and Harley Wright deserve special mention: Berie because of two exceptionally good tackles and Harley because of several good end runs resulting in touchdowns.

Our Congressman, Robert R. Butler passed through Ione this past Thursday and tarried long enough for the exchange friendly greetings with our citizens.

Grange News

The members of Willows Grange extend their deepest sympathy to our Worthy Brother and Sister Cool in their recent bereavement.

Warren Cool, more familiarly and affectionately known to his friends as "Shorty", was an active member of Willows Grange and a popular member of the younger set. He often helped with degree and drill work and will be greatly missed in our Grange activities and other gatherings.

Word has been received by the Masters of the various granges of Eastern Oregon announcing the State Grange meeting to be held at Pa Grande on Saturday, October 26. Conferences start at 10:00, a. m., at the high school building. Degree work will be

KNOW YOUR DRUGGIST BETTER—He's your doctor's right hand man

Keep Your Druggist's Doors Open—

FOUR-FIFTHS of all the drug-stores in the country would close their doors if they were restricted to filling prescriptions and selling sickroom supplies. There would be only one drug-store to about 11,000 people, and many communities would be without one.

It is still true that the principal duty of a pharmacist is to fill prescriptions with ingredients which he knows to be of the best quality, and to be prepared to supply the varied medicinal agents called for by physicians. The technical knowledge required to do this he has acquired both in college and in long years of experience.

When a physician's services are needed they are often needed promptly. So with the prescriptions he orders. The nearer the drug-store the better. For this reason you should give generous support to your neighborhood druggist. Remember that he must sell many other articles than medicines in order to keep his store open—and his prescription department well equipped to serve you when sickness comes.
