HIGH SCHOOL ACTIVITIES

Ione Takes Fossil 42-0

Ione had no trouble in beating the light out scrappy Fossil team 42-0, last Saturday. Ione scored in every quarter and were successful in each try for point. Norton Lundell not only made the first touchdown of the game but also the first score of the season. After the first touchdown, Ritchie, the local center, took the backfield for a drop kick. The kick was blocked but the point counted because Fossil was off-side. The second touchdown was made by Harold Kincade in the first part of the second quarter. Kenneth Smouse made the third touchdown and Norman Swanson, who was high point man for the locals, made the last three. Long passes, intercepted passes and end runs were the main factors in beating Fossil. Kenneth Smouse pulled down a long pass which looked almost impossible to be completed. Ione was only in danger once when Fossil completed a pass without anyone near him. Harold Kincade ran him down after they had raced 35 or 40 yards. Our lines seemed impregnable and the backfield was in the racing mood throughout.

Next Friday Ione meets Lexington on the home gridiron. This will be the last league game here and it will probably be the best because Ione and Lexington are more evenly matched than any other teams in the league.
