Restless Children

Children will fret, often for no apparent reason. But there's always one sure way to comfort a restless, fretful child. Castoria Harmless as the recipe on the wrapper; mild and bland as its tastes. But its gentle action soothes a youngster more surely than some powerful medicine that is meant for the stronger systems of adults. That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is any need. In cases of colic, diarrhea, or similar disturbance, it is invaluable. But it has everyday uses all mothers should understand. A coated tongue calls for a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed to set everything to rights. Genuine Castoria has Chas. H. Fletcher's signature on the wrapper. Doctors prescribe it.

The Flapper James H. Carrier, head of the International beauty contest, said on descending from the President Harding with his international beauties: "This is the age of the flapper. We worship girls today as the Athenians used to worship boys. "The flapper in consequence is suffering from swelled head. A flapper the other day was heard to say in a night club to a millionaire: "A man is like a telescope to me. I draw him out, see through him and then shut him up."

Doctor Gives Hint to Lucky Salesman

IT'S a wise man that knows when he is slipping. Mr. R.F. Myers of 711 Rosedale Street, Baltimore, had the good fortune to get his tip straight from one of his doctor customers (he was selling for a pharmaceutical house) and since that lucky visit he has increased his business 50 per cent.

asked the home office, "your business has increased 50 per cent!" That's the great thing about Nujol. As soon as it begins to clean the poisons out of your system it makes you feel so well that you can almost always do a much better job. Nujol is not a medicine and contains no drugs. It is perfectly harmless, forms no habit. It is simply bodily lubrication, which everybody needs. You, like everybody else! Why put off good health any longer? Go into any good drug store and get a bottle of Nujol in a sealed package. Costs so little and means so much! Maybe you can increase your efficiency 50 per cent too.

For two years he had been driving from town to town, and naturally this threw his elimination out of shape. He felt himself slipping. Cathartics only made him worse. Then one day he was calling on a wise old physician, and asked his advice. "What you need, my boy," said the doctor, "is a simple, easy, normal way to clean the poisons out of your system—we all have them—and with your kind of work they certainly cut down efficiency. Why don't you try Nujol?" "Well, believe it or not," says Mr. Myers, "in a few days I felt like a new man. 'What's got into you!'"
