Grange News

WILLOWS GRANGE.

Ira Gabrielson, of Portland, State Rodent Leader, was an interesting speaker at Wednesday evening's special grange session. He spoke principally on control of the mole and wharf rat which becoming numerous in the rural territories. The lecture was illustrated by movie pictures by Co. Agent Smith Mr. Gabrielson planned several demonstrations while in the County, which had to be cancelled owing to illness.

Mr. and Mrs. O. L. Lundell, Mike Rowell and son Walter, were visitors at Boardman Saturday evening where Greenfield Grange initiated a large class. A sumptuous supper was served at 6:30. Willows Grange will initiate a large class on Sat. Nov. 23rd at the Cecil Hall. Visitors from other granges will be welcome.

A community dinner will be held at the Cecil Hall on Thanksgiving day. Everyone welcome. Bring your "goodies" with you and enjoy the day visiting with your neighbors.

Mrs. Clarence Nelson returned last week from Portland where she has been staying for some time in order to be near her husband who is a patient in the Veteran's hospital. The friends here will be glad to know that Mr. Nelson is improving in health, and in six week's time expects to be able to return to his home.

Can You Pronounce It?

Perhaps the most unpopular ship name, at least among signalmen and underwriters who have to write it down in a hurry, is surely the Venyanagawakintetehem. Happily there is only one ship of this name—a barque registered at Jaffna, a port in Ceylon.

Top-Sided Arrangement

You can expect a condition of unrest in a home where mother spends \$7.50 at the beauty shop while father shaves himself, an Oregon editor sagely remarks—Copper's Weekly.

Summing It Up

Every human being is a potential musical instrument capable of fine pleasant music. It all depends upon you—the musician—and how you adjust yourself to society and to individuals.

no compromise
with goodness!...
the Camel blend is

a real smoke!

Camels are made for the knowing ones who seek the pleasures of a good smoke, and these smokers may be assured that the true Camel quality will always be maintained.

Camels were originated and made to promote the pleasure of smoking. The most perfect blend that the greatest experts know how to make is the secret of this really wonderful cigarette! The most modern and skilful processes are employed in bringing this great cigarette to perfection! The pick of all Domestic tobaccos for satisfying taste, the rarest Turkish for added fragrance! Camels are vastly preferred by knowing smokers because they appreciate the soothing goodness of choice tobaccos perfectly blended.

Ginger Ella
By
Ethel Hueston

ONE of four girls in a shabby old parsonage, all to be provided for and educated on the father's slender means — and that father threatened with blindness — Ella was fairly well acquainted with the problems of life. Her ups and downs, her unquenchable optimism and triumphs of management, make a finely pleasing and cheerful story.

Charming New Serial in

Written Centuries Ago
"Though the mills of God grind slowly, yet they grind exceeding small; Though with patience He stands waiting, with exactness grinds He all." was written by Friedrich von Logau, who lived from 1604 to 1665. He was one of the most highly esteemed epigrammatists and satirists of his day.

Early Printers' Prices
There is record of two printers in 1478 agreeing to publish 100 copies of the Bible. Just how long these Bibles were in preparation is debatable, but the first record of sales in that locality, Venice, year 1492, and by the same printers gives the selling price at 6 to 12 denari, or \$30 to \$60.

Birds' Longevity
The life of doves and pigeons in general is about 10 to 15 years. In captivity under favorable circumstances these birds might live a longer time.
