AMERICA'S RADIO LEAD IN DANGER

Gen. J. G. Harbord Sees a Threat to Our Nation's Place in British Merger.

The recent successful effort of the British to bring about consolidation of their cable and radio interests is a serious challenge to the radio supremacy of the United States, and of more importance to our country than oil or merchant marine at this moment, according to General J. G. Harbord, who was chief of staff of the A. E. F. and now is President of the Radio Corporation of America.

"Great Britain being the great cable-controlling power of our planet," General Harbord explained, "the combination there of cables and radio im-

perils American leadership more directly than that of any other country. "The answer to this challenge cannot be made by private interests under our existing laws. It is for our people to decide whether they think it is worth making, and if so, to make it possible. It is a case where no action, or action much delayed is surrender; or even worse, aid and comfort to foreign against American industry."

Personal Mentions

The sale last Saturday by the ladies' Aid of the Baptist Church was quite a success from a financial standpoint. It netted the ladies \$55.00.

Mr. and Mrs. Louis Balsiger left Sunday for Portland and other valley points. They expect to return home Friday and will bring their daughter, Miss Elva, home with them for the Christmas.

Lowell Clark has returned to Ione after several months spent at Wenatchee, Wash. and Portland, Oregon.

Help the children in their evening study by giving them a strong, steady, white light. May save glasses in later years. Let Bert Mason show you the Aladdin winner of the Gold Medal at the World's Exposition, San Francisco.

Mrs. Edmond Bristow and little daughter returned Sunday to their home in Baker. Mr. and Mrs. Edison Morgan took them as far as Pendleton by auto and from there they continued their journey by stage.

Ione people who attended the district convention of the American Legion and Legion Auxiliary held last Thursday in Condon were: Mr. and Mrs. Jonn Ferris, Miss Beryl Clark, Mrs. Helen Farrens, Orren Grabill and Elmer Cochran. All report an enjoyable time. During the afternoon there was a meeting of the Legion boys and also one of the Auxiliary ladies. The banquet was served at six o'clock and the evening was spent in dancing.

Mr. and Mrs. McCabe announce the marriage of their son, J. K. McCabe, and Lonise G. Miller, daughter of Mr. and Mrs. Frank Miller. The young people are well known here, being popular among the younger set. Both are former students of the Ione school, Mr. McCabe graduating with the class of '29. They are making their home in Cottage Grove, where Mr. McCabe has employment in a hardware store. They have the best wishes of their many friends here.

Mr. and Mrs. E. J. Bristow and daughter, Lucile, drove to Heppner Friday to attend the funeral services for Robert J. Rodgers.

HIGH SCHOOL BASKET BALL

The Ione team defeated the local high school basketball team last Friday night. The final count was 39 to 13. The high school started out as though they were going to win, scoring the first basket. The game was played fast and clean. The high school would probably have given the alumni a closer game if the regulars had played. Tuesday night Ione will meet Lexington Hi on the local floor. It will be a double header and we promise all a good close game.

The local high school girls' basketball team met defeat at the hands of the town team Friday night; the final score being 10-12. This was a practice game for the benefit of the high school team. The line-up of two teams is as follows.

High School
Forward Gladys Brashers
Forward Veda Eudanks
J. Center Alice Nash
S. Center Margret Craford
Guard Helen Smouse
Gnarb Geneva Pettyjohn
Substitutes were Beulah Pettyjohn for Margret Craford in the third quarter.

Student Hero at O. S. C. Is Praised

Oregon State College, Corvallis, Dec. 13.—Recognition for his act of heroism in stopping a runaway artillery team has been accorded Eugene Gentry, Lexington, by president Kerr, Major F. W. Bowley, and Colonel H. R. Richmond of the military department here. The team became frightened while students were going through maneuvers and started to run. Gentry, who was mounted, overtook the runaways and stopped them before they did any serious damage. The officials sent Gentry a letter commending him for his act.
