For COLDS

We all catch colds and they can make us miserable; but yours needn't last long if you will do this: Take two or three tablets of Bayer Aspirin just as soon as possible after a cold starts. Stay in the house if you can—keep warm. Repeat with another tablet or two of Bayer Aspirin every three or four hours, if those symptoms of cold persist. Take a good laxative when you retire, and keep bowels open. If throat is sore, dissolve three tablets in a quarter-glassful of water and gargle. This soothes inflammation and reduces infection. There is nothing like Bayer Aspirin for a cold, or sore throat. And it relieves aches and pains almost instantly. The genuine tablets, marked Bayer, are absolutely harmless to the heart.

Only the price of learning a simple health rule, this smiling youngster finds!

What was it that Mrs. Fred E. Schmitt of 2023 Stone Street, Falls City, Nebraska, discovered, which she could give to her baby that made her happy, well, strong and buoyant?

Please remember that Nujol contains no drugs; is non-fattening; is not absorbed in any way by the body; can form no habit; cannot hurt you, no matter how much you
