The Authorized capital stock of the North Pacific Grain Growers Inc. is \$1,000,000 divided into 25,000 shares with a par value of \$40.00 per share. This stock is to be sold only to local cooperative elevator, warehouse or other cooperative grain handling associations in Washington, Oregon, northern and southwestern Idaho and western Montana. Each such local Association must subscribe for one share for each 2,000 bu. of wheat which it expects to receive and market. At the discretion of the Board of directors, farmers in localities not served by a local cooperative may subscribe directly from the regional

way is necessary, a power that has accomplished much good for humanity. Among the detailed services rendered by a trust department the one that seems to be winning favor the fastest is the life insurance trust. Life insurance is the quickest known way of creating an estate. In reality it affords the possessor the opportunity of setting up a positive monetary safeguard for his family and then paying for it on the installment plan. A married man is not fair to his family if he fails to carry life insurance. I would say to the young man, "Buy insurance before you buy the ring," and to the young woman I would say, "Marry no man so thoughtless as to scoff at life insurance."

New V-Type 8-Cylinder Car Proves Claims

In order to illustrate better the exceptional power to be found in Oakland's new V-eight motor a test run was made last week to Yosemite Valley over the Big Oak Flat Road. While at Yosemite party took snaps of some of favorite winter sports, which are now in order.

Daily Thought
To know one person who is absolutely to be trusted will do more for a man's moral nature—yes, and even his spiritual nature—than all the sermons he ever heard or can hear.—George MacDonald.

Love for Sale
Love powders were advertised for sale during the Middle ages. Love philtres were kept by the village apothecary among his stock of drugs. These love potions were compounded of such lovely things as snails and ingredients.—Kansas City Times.

Early Printers' Prices
There is record of two printers in 1478 agreeing to publish 800 copies of the Bible. Just how long these Bibles were in preparation is debatable, but the first record of sales in that locality, Venice, year 1492, and by the same printers given the selling price at 6 to 12 denari, or 30¢ to \$20.
The Orator
An orator is a man who can take a 300-word idea and blow it up to hold 6,000 more.—Toronto Star.
