Locust Chapter No. 119, O. E. S. met in regular session, Tuesday evening with about 60 in attendance. After the usual routine routine, a social hour was spent followed by refreshments served in the dining room. While all were seated at the table, Mrs. Ruth Mason, with appropriate words presented Mr. and Mrs. L. E. Dick with a beautiful electric clock, a gift from the members of the Masonic lodge and Eastern Star. Mr. and Mrs. Dick have lived and worked among us for seven years. We regret to have them leave but we rejoice in their promotion, and we hope the sweet chiming of the gilt clock may awaken them early enough many a morning that they may drive back to Ione for a visit with their old friends.
