

# Makes Life Sweeter

Children's stomachs sour, and need an anti-acid. Keep their systems sweet with Phillips Milk of Magnesia! When tongue or breath tells of acid condition—correct it with a spoonful of Phillips. Most men and women have been comforted by this universal sweetener—more mothers should invoke its aid for their children. It is a pleasant thing to take, yet neutralizes more acid than the harsher things too often employed for the purpose. No household should be without it.

Phillips is the genuine, prescriptive product physicians endorse for general use; the name is important. "Milk of Magnesia" has been the U. S. registered trade mark of the Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.

## Girl at the Top in Health Test

Millions of boys and girls all over the world, thousands of them right here in the West are being restored to health and strength by the purely vegetable tonic and laxative known as California Fig Syrup and endorsed by physicians for over 50 years.

Children need no urging to take it. They love its rich, fruity flavor. Nothing can compete with it as a gentle, but certain laxative, and it goes further than this. It gives tone and strength to the stomach and bowels so these organs continue to act normally, of their own accord. It stimulates the appetite, helps digestion.

A Kansas mother, Mrs. Dana Allgire, 610 Monroe St., Topeka, says: "Bonnie B. is absolutely the picture of health, now, with her ruddy cheeks, bright eyes and plump but graceful little body and she stands at the top in every health test."

Much of the credit for her perfect condition is due to California Fig Syrup. We have used it since babyhood to keep her bowels active during colds or any children's ailments and she has always had an easy time with them. She always responds to its gentle urging and is quickly back to normal."

Ask your druggist for California Fig Syrup and look for the word "California" on the carton so you'll always get the genuine.

# 5218 Happy People Give up Their Secret

JUST suppose you could get 5000 joyously happy people together in one big hall and could ask them what made them all so full of pep. Suppose, strangely enough, that all of them had discovered the same way to be happy. You would feel that here, if anywhere in the world, was the secret of how to get joy out of life.

This is just what has happened during the last few weeks. We knew there were millions of people who had found the secret of happiness in the same way, and we asked them in one or two small announcements in the magazines and newspapers to tell us their story. Letters came to us from practically all over the globe.

All of them said "The secret of happiness is health."  
How to get this health? The way that all of these people had discovered was not some magic medicine, not some powerful drug, not some difficult course of training—but only a simple, harmless, natural method. It was to keep the body internally clean, sweeping its natural poisons away each day, regularly as clock work—by the use of Nujol.

These people had made a great discovery. They had found out that Nujol contains no drugs; that it is as tasteless and colorless as pure water; pleasant to take and forms no habit; that it cannot hurt you, no matter how much you take; that it is non-fatening; not absorbed by the body,

that it is only the internal lubrication your body needs, just like any other machine.  
It sounds like a fairy tale, doesn't it, to be well and happy so easily? Well, all you need to do to find out if these people have made a real discovery is to get a bottle of Nujol today at any drug store and take it for two weeks. It costs but a few cents and it makes you feel like a million dollars. The sure way to happiness is through health.
