BASE BALL BUG SEEN

The base ball bug is beginning to stir in Ione. Every afternoon the high school team and their coach are out practicing, and on Sunday, the first preliminary practice was held for the town team. A tractor and grader were used. Tuesday, to grade and get into shape the city ball park.

The attendance at school is below normal because so many of the pupils are ill with heavy colds and influenza.

E. G. Sperry lost a valuable cow, Monday.

Betty Jean, young daughter of Mr. and Mrs. Fred Mankin, is quite ill.

Butter is Nutritious --Use It!

Butter is one of the most delicious foods made. It should be used freely in cooking, frying, baking, and on the table. Butter is almost 100 per cent digestible, and because of its vitamin content those growth promoting health preserving substances it is classed by nutrition experts as one of the protective food.

Butter is cheap now so eat plenty of it. "There is No Substitute for Good Butter"
