On the fourth day of last month Mrs. Mary Young, mother of Frank Young, celebrated the 87th anniversary of her birth. She spent the day quietly at the home of her son in the Eight Mile district. Mrs. Young has been a resident of the state of Oregon for forty-six years. Her life history is indeed interesting. She was born in Henderson County, Ill., in 1843. When a girl of thirteen years, in company with her father and two brothers and one sister, she went to California, making the trip by boat, which necessitated their being on the water for about two months. At the age of fifteen years she united with the church. When seventeen years old she became the wife of Alexander Young. She is the mother of six children; Rosalie, William, Walter, Charles, Edith and Frank with whom she makes her home. Mrs. Young spent last week with her friend, Mrs. Paul O'Meara, of Ione, while her son and family took in the Rodeo at Heppner.

She outlined the state society program for the year and stressed the major project which is the erection of a log cabin at Chamboog as a memorial to the pioneers. This cabin is to be built at a favorable site on the banks of the river and will be filled with relics of pioneer days. It will be open next summer.

FAREWELL, OLD FRIENDS!

The old dray team, Sybil and Cap will be seen on our streets no more. For seventeen years they have been on the job. Last Cap reached the stage where he was no longer able to work and he was shipped to Portland. A short time ago Mr. Troge let a friend of his in the valley have Sybil and she was taken to her new home by truck. She was foaled May 17, 1909, on the ranch now owned by Harold Rankin, thus she had reached the ripe old age of twenty-one years. Her life has not been without thrills. When she was making her recent motor trip to the valley she met with a painful accident. She was being moved with a strange horse and making a sharp turn the stranger jostled her. One word brought on another until a fight ensued, the side of the rack was torn out and lady Sybil was thrown to the highway. All this happened near Willows. Sybil refused to rise and the wrecker was called from Arlington to move her. She was taken to Arlington and the next day continued her journey to her new home little the worse for the accident. This old team while working faithfully in our town have been owned by the following men: Frank Akers, Linn and Griffith, Chas. Gray, Mr. McCormick, Paul Lovel and Ted Troge.
