## MORROW POMONA MEETS AT RHEA CREEK

### AFTERNOON PROGRAM OPEN TO THE PUBLIC

#### Candidate Julits Meier To Be Principal Speaker

Saturday, Oct. 4, Morrow Co Pomona Grange will meet in an all day session at Rhea Creek with Rhea Cree Grange as hosts.

A business meeting is scheduled for 10:00 o'clock to which all Fourth Degree members as well as Fifth will be welcome. All Pomona members are urged to attend this morning session that the usual business may be attended to with dispatch.

The traveling banner which Greenfield Grange of Boardman holds for the second time will be on display. The grange having the largest registered delegation at 12:00 o'clock, noon, will be privileged to take the banner home. Remember, the register closes at noon.

A splendid program has been arranged for the afternoon to which the public is invited. Julius Meier, Independent candidate for governor will be the principal speaker on the program. Mr. Meier will explain the four measures of special interest to grangers. All who haven't heard Mr. Meier should avail themselves of this opportunity. The program is announced for two o'clock. Readings, musical numbers and Willows orchestra will complete a well rounded program.

The Rhea Creek Juvenile Grange will have on display the beautiful quilt which the children made for the fair. Chances will be sold; we are certain that everyone would like to own this beautiful quilt and now is your chance and an opportunity to help the kiddies at the same time.

#### Football Practice

The boys turning out for football practice are Francis Ely, Norman Everson, Ralph Gibson, Dorr Mason, Earl McCabe, Norman Swanson, Jotl Engleman, Louis Buschke, Barton Clark Ordie Farrrens, Francis Tredson, Norton Lundell, Milton Morgan, Berl Akers, Walter Bristow, Donald Helicker, Elwane Lieualien, Leo Lieualien, Robert Botts, Virgel Esteb, Ralph Tompson, Johnny Eubanks. Coach Tucker feels confident that we will have a team that will make a good showing.

#### The Last Scribe

"I am the last public scrivener in Paris. . . . A serious little man was speaking to a representative of the Paris Sotr. "Things have changed," he continued, "and when the buildings about here are torn down I shall have to move. There are not so many letters to write now, for even the little maids have learned to pencil their own love missives. I still have, however, enough clients to earn my living." Over his modest office is the sign: "Public Scrivener." The profession was legalized in France by Charles V during the latter part of the Fourteenth century.—Exchange.

#### Ceylon Great Trading Port

Spices, plumbago, pearls and rare woods, the export commodities which brought fame to Ceylon, have been superseded by tea, rubber and coconut products as the island's leading exports. More than one-fourth of the world's commercial crop of tea is produced there. In the two chief coconut products, copra and coconut oil, Ceylon's contribution forms a tenth of the aggregate world exports. One-tenth of the total rubber supply is produced there.

#### Cause of "Grain"

The "grain" in wood is due to the cells. A ring of these grows every year round the tree, and then "sets," forming a series of cylinders. The divisions form the grain.

Notice of School Election Upon Question of Increasing Tax Levy over Amount Limited by Section 11, Article XI, State Constitution.

Notice is hereby given that an election will be held in School District No. 35 of Morrow County State of Oregon, at the school house in said school district for the purpose of submitting to the legal voters of said district the question of increasing the tax levy for the year 1930-1931, over the amount limited by section 11, article 11, of the Constitution of Oregon.

The reasons for increasing such levy are:

Deficit incurred by cutting of tax levy for 1930 by \$3000 which automatically results in a like decrease in the tax levy for 1931. Making it necessary to vote this special tax to maintain our school.

The amount of special tax proposed to be levied for said year is \$22,386.54.

Dated this 17th day of September, 1930.

Attest:  
Della M. Corson

## Personal Mention

By two and three the valley hunters are returning, some empty handed, one brave hunter bearing the marks of having been attacked and run over by an evil mannered duck, some with wonderful stories of the deer they killed but failed to find, and some with fine animals as proof of their marksmanship. Mayo Mason returned with two bears. The Joe Gibson party brought home four deer. R. W. Brown and Roy Lieualien each have a deer to their credit. Noel and Walter Dobyms each returned with a fine buck. Cleo Drake and John Cochran who were in on Hog Flats trapping while waiting for the hunting season to open were out of luck. They returned without deer and had little success at trapping. The Bergevin and Cochran party which was at Desolation report fair luck. Walter Cochran of Arlington was one of the party who brought out a buck. Raymond Fletcher is one of the younger hunters deserving special mention. He killed a fine six point buck weighing 222 pounds. Many hunters are still in the mountains and some plan on going later.

#### Not Used for Prayer

A prayer rug is, in the home of an American, used merely as a scatter rug or, if it is especially beautiful or valuable, hung on the wall as if it were a tapestry. It might also be gracefully arranged on a baby grand piano.

#### Mixed Blood

The Finns and the Lapps, like the Magyars and Turks, are classified by ethnologists as of Mongolian origin. They form a branch of the Ural-Altaic family, but are mixed largely with the Swedes and Russians, members of the Aryan race.
