**Per Contract**  
A substantial middle-aged gentleman was given a seat beside the dancing space in one of New York's dens of rather pale iniquity. During the show one of the vivacious young ladies skipped out of line and by way of making things livelier, pulled loose the gentleman's tie and playfully ruffled his hair. When he gave evidence of being annoyed, her expression of gayety relaxed for a moment. "I'm sorry, sir," she explained, "but it's in my contract."—New Yorker.

# Castoria corrects CHILDREN'S ailments

WHAT a relief and satisfaction it is for mothers to know that there is always Castoria to depend on when babies get fretful and uncomfortable! Whether it's teething, colic or other little upset, Castoria always brings quick comfort; and, with relief from pain, restful sleep.

And when older, fast-growing children get out of sorts and out of condition, you have only to give a more liberal dose of this pure vegetable preparation to right the disturbed condition quickly.

Because Castoria is made expressly for children, it has just the needed mildness of action. Yet you can always depend on it to be

effective. It is almost certain to clear up any minor ailment and cannot possibly do the youngest child the slightest harm. So it's the first thing to think of when a child has a coated tongue, is fretful and out of sorts. Be sure to get the genuine; with Chas. H. Fletcher's signature on the package.

### Gift From Fish Hawk

Mrs. Mary Moore of Hallowell, Maine, tells a good fish story which she assures everybody is true. A road construction gang was making repairs and blasting while she was visiting at Five Islands. Following one particular deep detonation something dropped into a rose bush nearby. It was a deep-sea cunner weighing more than three pounds. Mrs. Moore lost no time in skinning the

fish and had it fried for supper. It seems that a neighbor saw a huge fish hawk drop the cunner from the sky, evidently frightened by the blasting.—Indianapolis News.

### Horse Measurement

Horses are measured in terms of hands, a hand being four inches, and the height is taken from a point at the withers dropped perpendicularly to the ground.

# FEEL MEAN?

Don't be helpless when you suddenly get a headache. Reach in your pocket for immediate relief. If you haven't any Bayer Aspirin with you, get some at the first drugstore you come to. Take a tablet or two and be rid of the pain. Take promptly. Nothing is gained by waiting to see if the pain will leave of its own accord. It may grow worse! Why postpone relief? There are many times when

Bayer Aspirin will "save the day." It will always ease a throbbing head. Quiet a grumbling tooth. Relieve nagging pains of neuralgia or neuritis. Check a sudden cold. Even rheumatism has lost its terrors for those who have learned to depend on these tablets. Gargle with Bayer Aspirin at the first suspicion of sore throat, and reduce the infection. Look for Bayer on the box—and the word Genuine in red. Genuine Bayer Aspirin does not depress the heart.

### Here's Real Honesty

Somewhere off Cox ledge, which is 14 miles southeast of Block Island, there lurks an honest man. Jerry Littlefield, master of the schooner Evan N. is authority for the statement. When he hauled up one of his lobster nets with just three lobsters in it, he found in the pot a tea can that had been wrapped and wrapped in adhesive tape to stand the pressure of 19 fathoms down. When the can was opened Captain Littlefield found

five \$1 bills in it to pay for the lobsters some one had taken.—Boston Globe.
