**REALLY**, a strong pipe is no joke. The next time you attend a Legion or a lodge meeting or a banquet, let the mild fragrance of Sir Walter's favorite smoking mixture precede you and assure a cordial reception. Sir Walter works mild magic with strong pipes—it's uniformly well aged, mellow and biteless and noticeably milder. It burns freely and evenly, and it's cool and sweet down to the last flake in the bowl.

IT'S 15¢—and milder

### Road Built in One Day

By building 35 miles of road in one day, Mexicans living near Tremendo are believed to have broken the world highway construction record. The stretch was a section of a highway which will link the Mexican cities of Guadalajara and Mexico City. When news of the intended project reached Tremendo, messengers carried the word throughout the district. In answer to their call, 2,000 ranchers and native Tarascan Indians dropped their own work and hastened to the site of the proposed road. Starting at dawn, they completed it by sundown.

### Time to Retire

"Has Harry traveled much?"  
"Has he! He's been to half the places on his suitcase labels!"

## Brightest

From three to twelve. That's the most important period in a child's growth. And that's the time many are retarded physically and mentally by energy-sapping constipation.

Watch your child, mother! At the first sign of bad breath, coated tongue, headache, biliousness, lack of energy or appetite, give California Fig Syrup.

This pure vegetable product will cleanse the little bowels without discomfort. It tones and strengthens weak stomach and bowels. In colds or children's diseases, employ its gentle aid to keep the system free from germs and waste.

Mothers everywhere are eager to tell how it helps children. Mrs. H. Mayer, 1737 Marburg St., Dallas, Texas, says: "I have used California Fig Syrup with Danny all his life in colds, biliousness, constipation, upsets, or children's ailments. It keeps him the brightest, happiest six-year-old I know."

Emphasize the name California when buying, to get the genuine.

## Should Have Known What He Would Do

The hero of this one is not exactly as meek as Moses, but yields often to the wishes of a somewhat domineering wife, with mental reservations. The two went north not so long ago and, when the husband's two weeks of vacation were over, he yielded to her entreaty that she be allowed to stay on the lake for the remainder of the month and assured her everything would be all right at home. Of course, he would take his meals out, but he would sleep at home and take care of everything just as she would were she right there.

The woman came home Sunday to find the grass out of bounds, every window shade awry, and ashes, cigarette stubs, newspapers and whatnot scattered everywhere. But greater than her dismay at the disorder was the shock she received at friend husband's attitude toward her displeasure at the state of affairs.

There was no apology, no remorse on the part of the culprit.

"What is the meaning of this?" she asked, falling into the time-worn question that wives save up for just such a situation.

"It's just my idea of 'Revolt in the Desert,'" he answered calmly, and stood his ground right there.—Kansas City Star.
