DECLAMATORY WORK

Nearly the entire high school is going out for Declamatory work this spring, the Freshmen and Sophomore classes being represented by all members. New material for the work has been sent for which will afford a larger selection to choose from than has been offered in previous years. All those trying out are given 30 points for his class toward the Citizenship cup which is given to the class having the highest number of points at the close of the school year. Winners in the various contests are awarded extra points, depending upon the importance of the contest. Incidentally the seniors have the largest number of points toward the cup. After the class and school tryouts have decided the various winners from the schools, the district tryouts will be held in the Ione High School auditorium, the county contest at Heppner and the inter-county contest probably at Pendleton. The work will be started as soon as the new material arrives and will probably extend till the latter part of March.

Weekly Assembly

The regular weekly assemblies have been resumed and an interesting program was arranged last Friday when the students and faculty gathered in the auditorium. After announcements had been made by Mr. Tucker group singing was led by Mr. Riggs with Ralph Gibson at the piano. Rev. Cutler gave an instructive address to the assembly. A hearty yell was given the speaker by the students.

Play Lexington

The High School boys and girls basket ball teams motored to Lexington where double header games were played. The Ione girls showed splendid playing ability with the Lexington team. The first half was rather one sided in favor of Ione but in the last half the teams were more evenly matched. The score was 20-13 in favor of Ione. The line

up of the girls was:

Ione	Lexington
Eubanks	F
Brashears	F
Head	G
Pettyjohn	G
Smouse	C
Crawford	S. C.
Patterson	substituted for Ione
Lane and McMillan	for Lexington.

The boys played a fast game and the Lexington boys scored first but the Ione boys have certainly shown themselves equal to their opponents, even though they lost the game to Lexington. Both teams showed themselves good sports throughout the game. The game ended with the score 14-15 in favor of Lexington. The line up of the boys was:

Ione	Lexington
Swanson	F
Mason	F
McCabe	G
Ely	G
Clark	C
Morgan	substituted for Ione
Rhule	for Lexington.
