IONE - HEPPNER GAME

The Ione quintet defeated Heppner in the basket ball game played Friday night by a score of 20 to 12. This is the second game with Heppner, the first one resulting in a one point victory for Heppner after an extra quarter of play broke the tie.

Francis Ely, playing guard, scored several very long shots and was high point man, making ten points for Ione before Heppner was able to score. This was a league game.

Beneficial Exercise

Riding on horseback is a good form of exercise and is especially beneficial in stimulating the function of the gastrointestinal tract. The rhythmic vibration which the gait of the horse imparts to the rider's body seems to be of benefit to the muscles and to the internal organs.

Dumb Animals in Warfare

About 40,000 camels were used in the Palestine campaign during the World war, and the Italians used about 100,000 donkeys in their campaigns.

Personal Mention

Miss Florence Shippey of Portland is in Ione for a visit with her aunt, Mrs. Corson, and to help care for her mother, who is ill.

While E. G. Sperry's car was being towed home from Arlington, the first of last week an accident occurred in which Elmer Cochran, driver of the Sperry car, was painfully injured. Both cars overturned and Mr. Cochran received a severely cut hand. He went to the Veteran's hospital in Portland for treatment.

The regular monthly meeting of Missionary Society of the Congregational Church was held last Thursday afternoon. A very interesting program was carried out under the leadership of the president, Mrs. Louvisa Louy. Eight ladies were present. The next meeting will be March 5.

Wendell Balsiger, of Moro, spent the week-end with his parents, Mr. and Mrs. Louis Balsiger.

Mr. and Mrs. James Lindsay have employment on the Walter Rietman ranch.

Mr. and Mrs. Ted Troge are Portland visitors this week.
