## COMMUNITY FEED

### LARGE ATTENDANCE AND FINE SPIRIT

Over 200 people attended the community picnic held, Friday, at the school house. The mothers brought well filled baskets and the dinner thus supplied was topped off with eight gallons of ice cream, ten gallons of punch and five gallons of coffee furnished by the fourth grade teachers. During the dinner hour, Mrs. Hsriet Brown, seventh and eighth grade teacher, made a report of the disposition made of the money received last fall at the grade school entertainment and carnival. In the first and second grade room small tables were made for the children and these and the chairs were painted and book shelves were built. In the third and fourth grade room, bookshelves were built and the old double seats were rebuilt into single ones and stained. In the fifth and sixth grade room shelves were built and a fine globe furnished, and in the seventh and eighth room shelves were built and the final payment made on the encyclopedia. A ten dollar deficit in the hot lunch fund was taken care of and the costumes and other expenses incidental to the Health Pageant at Heppner, on May Day were paid. The shelves in each room are to take care of the district owned books which will be in use next year.
