RAWLINS POST NO. 31, G. A. R. MEET AT Odd Fellows' Hall at Heppner, every third Saturday of each month. G. W. SMITH, Com. G. W. KREKA, Adj.

THURSDAY, DEC. 17, 1903.

The Times is just in receipt of an invitation to be present at the seventh annual convention of the National Livestock association and the thirty ninth annual convention of the National Woolgrowers association, which will be held in Portland from January 11, to 15, 1904. A very large delegation from nearly every state in the union is expected to be in attendance at these conventions, which it is believed will be the most important ever held by these associations. A number of able papers will be read and discussed.

It now looks very favorable that the building of the railroad from Heppner to the Willow creek coal mines will not be much longer deferred. If expert Schumann's report is favorable, and there is no room to doubt that it will be, the matter of extending the road will be taken up soon after the holidays, or upon Mr. Mohler's return from the east. There is no question but the O. R. & N. wants the mines for the reason of a cheaper supply of fuel, and in case that company does not buy the mines outright it will at least make satisfactory terms with and materially assist the Heppner Railroad & Coal Company to build the road and operate the mines. It is now very certain that work on the construction of the road will be commenced in the early spring.

#### Be Quick.

Not a minute should be lost when a child shows symptoms of the croup. Chamberlain's Cough Remedy given as soon as the child becomes hoarse, or even after the croupy cough appears, will prevent the attack. It never fails, and is pleasant to take. For sale by Slocum Drug Co
