Galloway, Ore.

MEMORIAL CHURCH

The New Episcopal Church Dedicated.

VERY IMPRESSIVE SERVICE

Bishop Morris Conducted the Services Assisted by Revs. Potwine, Short and Warren—Rev. Potwine's Farewell Sermon.

The dedication of All Saints Memorial church, which was solemnized in this city Sunday forenoon at 10:30, was a very impressive service. The dedicatory services were conducted by Right Reverend B. Wistar Morris, Bishop of Oregon, Rev. W. E. Potwine, secretary of the diocese, the Rev. W. Seymour Short, of Grace church, Astoria, and Rev. John Warren, missionary in charge.

The Episcopal church was barely finished, but it was desired that the dedication be held before the departure of Rev. Potwine for his new field in Honolulu, as he has been identified with the Heppner church for more than 20 years.

At the evening service Rev. Potwine delivered his farewell sermon. The church was crowded to its utmost capacity. Preceding the sermon a class of five were confirmed: Mr. and Mrs. J. W. Morrow, Mrs. Phil Metchan, Mrs. A. E. Patterson and another lady whose name we did not learn.

Following the sermon Bishop Morris gave a brief review of the church history in the Northwest and more particularly of his diocese.

The new Episcopal Memorial church is one of the prettiest and most conveniently arranged churches of Heppner, one in which the congregation may well feel a just pride. The collections during the day were \$50.07.

Musical Entertainment.

The musical given by the Heppner, Jr., Band in Roberts' hall Friday evening last was exceptionally good, and was duly appreciated by a large audience. The program consisted of overtures by the orchestra and band, vocal, piano and violin solos, and a recitation by Miss Hazel Carr, who is a reader of considerable ability.

The piano solos were rendered by Miss Fay Bartholomew and were exceptionally good selections. Miss Bartholomew is a pianist of marked ability and her selections were well received.

The vocal solo by Miss Lillian Cochran was received with an encore. Miss Cochran has a splendid voice and her renditions are always appreciated.

Miss Lottie Rasmus also has a well trained voice and her solos are heartily appreciated.

But none were more appreciated than the violin solos by Miss Mary Lena Nelson. As a violinist Miss Nelson has few equals. She has perfect control of the bow and her notes are so clear and distinct that they almost speak the words. Her reproduction of "Berceuse" alone was well worth the admission, for which she was highly complimented.

The selections by the young band were much appreciated, and showed marked improvement. The good attendance at their musical is evidence that the people appreciate the efforts of the band boys and are willing to render substantial encouragement whenever an opportunity is offered.

Automobile Line in Oregon.

The first automobile to run between Shaniko and Bend has been purchased and it is to be ready for service as soon as the roads become passable. This machine, however, is not to enter the general carrying business, but is owned by and for the use of the Deschutes Irrigation & Power Company. The officers of that company concluded that present methods of conveyance between

Bend and the railroad consume too much time for busy men, therefore they have taken this means of overcoming the difficulty.

This new auto is of Michigan make and is known as the Cadillac. It will seat four people and be driven by a steam engine of eight horse-power. It is said that the machine will run "wherever a wheel will turn." While it is something of an experiment in this country, there is no doubt it will prove successful and upon the service of the first machine will depend somewhat the development of automobile transportation in interior Oregon.—Bend Bulletin.

Walked Against Time.

No event has occurred in Heppner of recent date that would compare in point of genuine interest and enthusiasm to that made manifest in the walk against time by Harry Cummings Monday afternoon.

For some time there had been considerable talk regarding Harry's ability as a walker, and on Saturday evening this talk culminated in a wager of \$40 to the side as to whether he could walk 18½ miles in 3½ hours, Harry putting his own money against that of Tom Stange's who claimed that he could not perform the feat. So from Saturday evening until the close of the contest against time excitement ran high and considerable side betting was done, probably between \$200 and \$300 being up at the time of the start.

Dan Stalter, Billy Crank and Fred Blaumer were selected as judges and Geo. Conser as timekeeper and the start was made at exactly 3:30 from the corner of Main and May streets, over a lap of 2130 feet.

A little less than 46 laps, each of which had to be made in an average of four minutes and 33 seconds, was the requirement. Of these 24 laps were made in the following time: 4:15, 4:35, 4:30, 4:40, 4:15, 4:15, 4:40, 4:20, 4:45, 4:30, 4:30, 4:40, 4:40, 4:50, 4:37, 4:40, 4:40, 4:40, 4:50, 4:45, 4:40, 5, 5, 5. This added gives one hour, 57 minutes and 17 seconds, and the exact distance traveled being 9.68 miles.

At the end of the 24th lap Cummings was convinced that he could not make the distance within the time and wisely gave up the chase, which was preferable to further exertion against a lost cause.

Although Cummings lost he made a good walk, being less than three minutes behind schedule time at the close.

A purse of \$31 was made up and given to Harry which will partly reimburse him for his loss.

An Open Letter.

From the Chapin, S. C., News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicine failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. This remedy is for sale by Slocum Drug Co.

Cattle-Growers' Convention.

There will be a Convention of Cattle-Growers of Oregon held in Portland, April 16th, beginning at 10 a. m., and continuing in the evening. The people interested in this great industry are earnestly requested to be present, as subjects will be discussed of the greatest importance to all cattle-men. The meeting will be held at the Auditorium, between Taylor and Salmon, on Third St.
GRANT MAYS, Secretary.

Auction Sale.

Will sell at public auction at Cantwell's bicycle shop on April 23, 1904, all kinds of utensils used for cooking purposes, suitable for shearing and harvest crews. Also a large bake oven and a double harness in good condition.
LEE CANTWELL, Auctioneer.

INTERIOR LIVESTOCK

Situation Better Than Was at First Thought

TAKE DAMAGE INVENTORY

Sheep Suffer Much More than Cattle—Loss of Flocks Normal, However, and Practically no Loss in Herds.

The John Day News summarizes the livestock situation in the interior as follows: "The live stock business, which was so gloomy during last week, has materially improved during the last few days, and stockmen are beginning to take an inventory of the damage, which is not so heavy as had been looked for. As the weather moderated, the days and nights assumed an even temperature, neither too warm nor too cold, and stock did not give up as they would have done had the sun come out hot by day, and the nights become chilly and stormy.

"The Bear Valley stock was mostly moved to the range country with no great loss, and is now doing well on the young grass.

"One of the largest owners in the county stated that losses in sheep were considerable, but not at all panicky. For himself he said he had suffered no greater loss than the normal, among the flocks which he kept at home and run for himself.

"Ex-Sheriff Newt Livingston reported the situation bad in his section of country, on the Middle Fork, and told all the aspiring candidates who asked for delegates, to give them hay, and they would get them faster than in any other way. A good many herds had been turned out on the hills, and considerable loss had ensued.

"Along the John Day valley, and especially in the upper section, the loss was no greater than it generally is, which is only nominal, according to J. B. Johnson.

"Ice raisers have continued to get off lucky, as both hay and range was resorted to. So that all over the country the grave danger which so seriously menaced the livestock interests has apparently passed with the minimum harm."

Amber Cane and Millet.

Col. R. C. Judson, industrial agent of the O. R. & N., distributed last week a large quantity of amber cane seed among the farmers in the vicinity of Echo. This cane is said to grow luxuriantly on the driest, sandiest soil of the Southwest, and Col. Judson thinks it can be successfully grown on the arid lands about Echo.

The syrup from this cane took first prize at the Paris exposition, and the Col. had a sample of it along to prove to the farmers the excellent quality of the syrup made from this variety of cane.

He also distributed a quantity of millet seed and broom corn, which he hopes to induce the farmers to try an experimental crop.

Margarita Fischer.

The Margarita Fischer Company will commence a three night engagement at Roberts' Opera house to-night. This well known and popular company has a stronger cast than ever before, consisting of 15 artists of ability. Heppner people are assured a higher class play than ever before produced by the company. Popular prices.

Dissolution Notice

The copartnership heretofore existing between the undersigned, having this day been dissolved by mutual consent, all accounts outstanding will be collected by C. A. Loeffler, and all liabilities will be paid by W. M. Ashbaugh.

Dated this April 10, 1904.
