The numerous new fences that have been built this spring about houses that have been constructed since the flood go a long way towards restoring former appearances. There was only time last year to rebuild houses and none of the finishings of homes, such as rebuilding fences, making lawns and planting shrubbery were thought of for the time, but now that this work is progressing along rapidly it will be only a matter of time when former appearances will be in a measure restored and we will feel like we are at home again. Cured His Mother of Rheumatism "My mother has been a suffer for many years with rheumatism," says W. H. Howard, of Husband, Pa. "At times she was unable to move at all, while at times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by Slocum Drug Co.

LIVER TROUBLES "I find Thedford's Black-Draught a good medicine for liver disease. It cured my son after he had spent \$100 with doctors. It is all the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va. If your liver does not act regularly go to your druggist and secure a package of Thedford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile. Thedford's Black - Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Thedford's Black-Draught should always be kept in the house.
