Cured His Mother of Rheumatism

"My mother has been a suffer for many years with rheumatism," says W. H. Howard, of Husband, Pa. "At times she was unable to move at all, while at times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by Slocum Drug Co.
