POPULAR OCEAN BEACH

Many from the Interior Planning to Spend their Vacation at the Sea Shore.

Hundreds from Eastern Oregon and Washington spent their vacation at North (Long) Beach, Washington, last summer, and it is safe to say that this popular resort of the North Pacific Coast will be visited by many more this year than ever within its history.

The trip on the Willamette and Columbia rivers, out of Portland, is one thing to be remembered, the usual heat of a summer afternoon being tempered by a gentle breeze freighted with the aroma of pine trees and seasoned with the salt sea air.

The trip on the Willamette and Columbia rivers, out of Portland, is one thing to be remembered, the usual heat of a summer afternoon being tempered by a gentle breeze freighted with the aroma of pine trees and seasoned with the salt sea air.

One hour from Astoria, through the famous fishing waters of the Columbia, past scores of salmon traps and nets and as many white-winged fish boats, lands the passenger at Ilwaco, on Baker's Bay, where connections for beach points is made with trains of the Ilwaco Railway & Navigation Company.

Rates for accommodation at North Beach points are reasonable and vary to suit the visitor. At European hotels and lodging houses room range from twenty-five cents to one dollar a day.

For particulars about the trip to North Beach ask the nearest O. R. & N. agent, or send two cents in stamps to A. L. Craig, general passenger agent, Portland, for "Restful Recreation Resorts," which tells all about the Columbia River summering places.

Real Estate.

Here are some bargains, good investments. For particulars inquire of S. E. Notson at Lexington.

Two lots and a small house in Lexington, \$325. Three lots, in same town, with small orchard \$300.

Track of 200 acres land, 1 1/2 miles from Lexington, no improvements, 130 acres can be plowed, price \$1000.

Farm—half section of good wheat land; four miles from Lexington warehouse; good house and fences, other improvements. Stock, farm machinery and crop go with ranch. This is a bargain at the price ask—\$6000, as party is compelled to go elsewhere on account of his wife's health.

Triumphs Modern Surgery. Wonder ul things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment.

Chambrelain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a Bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Slocum Drug Co.

Sued by His Doctor.

"A doctor here has sued me for \$12.50 which I claimed was excessive for a case of cholera morbus," says R. White, of Coachella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in case of cholera morbus, it never fails. Sold by Slocum Drug Co.
