How to Cure Corns and Bunions.

First, soak the corn or bunion in warm water to soften it; then pare it down as closely as possible without drawing blood and apply Chamberlain's pain balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn a few days to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, pain balm is unequalled. For sale by Slocum Drug Co.

Now is the time to list your real estate as the prospects are very favorable for lively selling of Morrow county realty during the next twelve months. The county has been more thoroughly advertised the past few months than ever before, and there will doubtless be buyers in the field soon. The Times has made arrangements whereby we expect to be able to handle considerable property right along. So if you have property to sell it will be to your advantage to call and list now. Remember it costs you nothing if no sale is made.

A Judicious Inquiry.

A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or for an adult, and if for a child they almost invariably recommended Chamberlain's cough remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by Slocum Drug Company.

THE GREAT FAMILY MEDICINE

Theford's Black-Draught comes nearer regulating the entire system and keeping the body in health than any other medicine made. It is always ready in any emergency to treat ailments that are frequent in any family, such as indigestion, biliousness, colds, diarrhoea, and stomach aches.

Theford's Black-Draught is the standard, never-failing remedy for stomach, bowel, liver and kidney troubles. It is a cure for the domestic ills which so frequently summon the doctor. It is as good for children as it is for grown persons. A dose of this medicine every day will soon cure the most obstinate case of dyspepsia or constipation, and when taken as directed brings quick relief.

DANVILLE, ILL., Dec. 25, 1902.

Theford's Black-Draught has been our family doctor for five years and we want no other. When any of us feel badly we take a dose and are all right in twelve hours. We have spent lots of money for doctor bills, but get along just as well with Black-Draught. IRA H. BADEL.

Ask your dealer for a package of Theford's Black-Draught and if he does not keep it send 25c. to The Chattanooga Medicine Co., Chattanooga, Tenn., and a package will be mailed to you.
