THURSDAY, OCT. 27, 1904.

NOTICE TO PATRONS.

All changes in advertisements, and all correspondence MUST be left at this office by Wednesday noon, otherwise they will be held over until the following week. We aim to go to press early Thursday morning, and cannot be delayed by ads. and correspondence which can just as well be filed earlier in the week. Please remember this.

How to Cure Corns and Bunions.

First, soak the corn or bunion in warm water to soften it; then pare it down as closely as possible without drawing blood and apply Chamberlain's pain balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn a few days to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, pain balm is unequalled. For sale by Slocum Drug Co.

List Your Property.

Now is the time to list your real estate as the prospects are very favorable for lively selling of Morrow county realty during the next twelve months. The county has been more thoroughly advertised the past few months than ever before, and there will doubtless be buyers in the field soon. The Times has made arrangements whereby we expect to be able to handle considerable property right along. So if you have property to sell it will be to your advantage to call and list now. Remember it costs you nothing if no sale is made.

A Judicious Inquiry.

A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or for an adult, and if for a child they almost invariably recommended Chamberlain's cough remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by Slocum Drug Company.

MARINETTE, WIS., Sept. 25, 1903.
I was all run down from nervousness and overwork and had to resign my position and take a rest. I found that I was not gaining my strength and health as fast as I could wish, and as your Wine of Cardui was recommended as such a good medicine for the like of our sex, I bought a bottle and began using it. I was satisfied with the results from the use of the first bottle, and took three more and then found I was restored to good health and strength and able to take up my work with renewed vigor. I consider it a fine tonic and excellent for worn-out, nervous condition, and am pleased to endorse it.
