Well, that donkey of mine has grown There is supposed to be a case of yellow fever at San Francisco. On the train trate the air at present, I think I shall bring this to a close.

that it is a genuine case of "yellow tion of the Celestial kingdom which presides ever the wash houses of the city SEVERAL residents of Heppner began to beautify their homes a few years ago by planting shade trees. To-day there is quite a contrast between these homes and those that have been neglected in Clark Spreckles and other such money kings; so they agened their heads to that respect. Let every resident plant shade trees next spring, and not only will the residence portion of town become more attractive, but it will add to the value of property.

The present session of congress is the longest that has been held in the history of the Unit states. The longest present all around. Now, if any patron of these wash longest kicks about the prices or treatment he is blacklisted, and he must humbly make his peace and he must humbly make his peace and he must humbly make his peace and her history are not a single member. of the Unix States. The longest pre-ceeding session that has ever been held was in 1850. The session of 1868 was apparently the longest, having adjourn-ed on Nov. 10, but after July 27 of that year congress took a rest, and never af-terwards had a quorum nor attempted to terwards had a quorum nor attempted to on the "washee-washee" business in Sa lem, and they are vastly more independ-MR SPERRY Will make a proposition to the town council in a short time regard-
