Piper, J. H., Acton - Horses, JE connected on left shoulder; cattle, same on left hip, under kit earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first ordering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative or blood-cleansing, anti-bilious, pectoral, and mutritive properties, is unequaled, not only as a remedy for Consumption, but for all Chronic Diseases of the Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nusal Catarris, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at \$1.00, or Six Bottles for \$5.00.
