HEPPNER, THURSDAY, OCT. 18, '88.

INDIVIDUALS that grow wealthy through such a development of natural advantages as keen foresight suggests are the main stay of any country or community. develops the path by which wealth is sethat there is always a cow to milk, potatoes to dig, wood to cut, hogs in the cornied or some other characteristic absorbing state of affairs existing at the identical moments that might otherwise be devoted to the creation of light literature. A Lone Rocker need never be up a sump for something to string out on, form a "corner" on the same, or on any commedity, it then becomes a men are cot the welfare of the people, benefiting a few at the expense of many. Such organizations should not be allowed to cured. His neighbors are better off by organizations should not be allowed to exist in this country of free people, but congressmen seem loth to undertake for the myriad patronage of the Gazette. the task of breaking the backbone of this monster evil fearing the combination of wealth might endanger the success of tion. It is to be hoped that both demoeratic and republican sanators and congressman will take up this matter in the near future and bring these institutions Wild Oliver as he was generally called,

Or late, the White Caps of Indiana intently examine everything in the rock OF late, the White Caps of Indiana litently examine everything in the rock have not been so conspicuous in their outrages, at least there has been less said about them in the papers. Instead, a pious organization is making itself notorious in Stoddard county, Missouri, proposes to wean the erring from the paths of wickedness with clubs of a few summer's growth. They have already summer's growth. They have already would imagine it to be basaltic stone beaten one man to death, and almost with considerable iron in it. Oliver, killed another in their persistent efforts however, knew better and though he towards convincing them of their way- was generally laughed at at the time by wardness. They wear dark robes and the very few people who inhabited these black masks while on picket duty, and parts, for even supposing gold to be inlook hideous enough. Like the White cased in such low down, vulgar looking Caps, they are a long shot ahead of their rock. He saved a fair-sized chunk for bounds, and should be severely dealt with. These organizations are usually with. These organizations are usually as it could be sent from Portland to as it could be sent from Portland to as it could be sent from Portland to a Blackman's.

ders, carpets, rugs, and surtains at reduction at Heppner as it could be sent from Portland to a Blackman's. gotten up under the guise of punishing 'Frisco, which he managed to do in the properly by the laws, but usually con(The other end of this letter is crowded out until next week.)

"NASAL VOICES, CATARRH FALSE TEETH."

Lone Rock, Oct. 4th '88.

Editor Gazette:

You needn't think, Mr. Pat, that I refrain from dishing up a long string of slush for the old Gizzano regularly as the week goes because I don't feel like it, or because there is nothing to write about, but for no other reason than that there is lalways a cow to milk, sible and are sure that it will be compared to the formal of the orange.

A prominent English woman says the American women all have high, shrill, nasal voices and false teeth. Americans don't like the constant twitting they get about this nasal twang, and yet it is a fact caused by our dry stimulating atmosphere, and the universal presence of catarrhal difficulties.

But why should so many of our women have false teeth?

have false teeth ?

handed down from our ancestors, and now exclusively put forth under the strongest guarantees of purity and efficacy by the world-famed makers of Warner's safe cure. These two remedies plentifully used as the fall and winter seasons advance, together with an occasional use of Warner's Log Cabin rose cream, to strengthen and protect the masal membranes, give a positive assurance of fredom, both from catarrh and those dreadful and if neglected, inevitable consequences. ble consequences, pneumonia, lung troubles and consumption which so gen-srally and fatally pre-ail among our
