LETTER FROM ACROSS THE BRINY DEEP. ondon, Paris, Vienna and Constantinople-

Half Around the World to Persia. The following letter, taken from the Hendricks county, (Ind.) Republican, may prove of interest to readers of the GAZETTE. The writer and the editor were school-mates in days long past:

Before Leaving Danville, I put easant trip over the Atlantic

the fastese vessel in the world, the I left New York or Saturday and next Friday we were at Queenstown.

or Paris, or Vienna, but expect you would rather hear somethin from this far-away city. I wil say however that I spent several days in London. I made the visi of which we talked, to Westmin ster Abbey. Also spent an after noon at the "Tower," visited the House of Parliament, Trafalga Square, and the many things of interest with which you are familar. I spent some time in Paris and will simply say that this is by er the grandest and most beautiful city I have ever seen. To simply refer to what one sees there ould more than fill a dozen latters

arg on the Rhine, and then tool he train and came through Gernany via Munich and Vienna From Vienna I came here vis 3nda Pest and Belgrade. This gave me a chance to see a very arge part of central Europe, in cluding Servia and Bulgaria. I came by what they call their fast express. It goes very nearly as fast as an American freight train and their palace cars are similar
