The importance of purifying the blood cannot be overestimated, for without pure blood you cannot enjoy good health. At this season nearly every one needs a good medicine to purify, vitalize, and enrich the blood, and we ask you to try Hood's Compound Extract. It strengthens and builds up the system, creates an appetite, and tones the digestion, while it eradicates and cures the peculiar combination, proportion, and preparation of the vegetable remedies used give Hood's Compound Extract a peculiarly curative power. To Itself other medicines has such a record of wonderful cures. If you have made up your mind to buy Hood's Compound Extract do not be induced to take any other instead. It is a Peculiar Medicine, and is worthy your confidence. Hood's Compound Extract is sold by all druggists. Prepared by C. L. Hood & Co., Lowell, Mass.

A GREAT REMEDY.

The Bionomic Remedies that have made Hood's Compound Extract so popular for sale at our drug stores. Any one desirous of learning about these medicines can do so by calling on our druggists and getting pamphlet on "New Treatment of Diseases." Bionomic medicine sets in harmony with nature's laws and leads the sick or feeble to health in chronic cases, on the simple principle that a tree is nourished and sustained in order to produce a new twig or branch that may have been broken. Diseases means a lack of a certain principle in the place affected. Bionomic supplies that lack.

TO CONSUMPTIVES.—The undersigned having been restored to health by simple means, after suffering for several years with a severe lung affection, and that dread disease, consumption, is anxious to make known to his fellow sufferers the means of cure. To those who desire it, he will cheerfully send (free of charge) a copy of the prescription used, which they will find a sure cure for consumption, asthma, catarrh, bronchitis, and all other lung troubles. He hopes all sufferers will try his remedy, as it is invaluable. Those desiring the prescription, which will cost them nothing, should send their names and addresses, Rev. EDWARD A. WILSON, Williamsburg, King's county, New York.
