NOTES FROM PENDLETON.

Railroad Accident, but No Lives Lost—New Bank Project.

PENDLETON, Oct. 31.—A portion of the up freight on the Spokane branch ran off the bridge near Valley Grove on Wednesday afternoon, caused by a misplaced switch. The train was moving at a lively rate, and ran on the ties until the bridge was reached. Here the engineer, seeing the imminent danger, pulled the throttle wide open and crossed in safety, although every wheel in the train was off the rails. Four loaded freight cars were precipitated into the gully below and dashed into a shapeless mass. No lives were lost.
