### FOOD FOR THE FLAMES.

The City of Shoes Visited by a Conflagration.

LOSS ESTIMATED AT TEN MILLIONS.

Buildings Blown Up to Diver the Flames—Six Thousand People Thrown out of Employment—Many Homeless.

LYNN, Mass., Nov. 25.—Lynn, the city of shoes, was visited this afternoon by the greatest fire in its history, and with two exceptions, the conflagration is the most disastrous that ever visited New England. The fire started about noon, raged over eight hours, devastated over a square mile of the business section of the city, and caused a loss estimated at \$10,000,000. In fact the greater part of Lynn is wiped out, as regards the important shoe manufacturing blocks and prominent places of business.

### A HOT THANKSGIVING.

Boston Visited in Turn by a Conflagration.

LOSS ESTIMATED AT FIVE MILLIONS.

Many Magnificent Structures Destroyed—The Origin of the Fire and its Limits—Assistance From Neighboring Towns.

BOSTON, Nov. 28.—The most disastrous fire from which Boston has suffered since 1872 and one which in property loss rivals the great conflagration at Lynn. Tuesday, broke out about 8:20 a. m. today in the six-story granite building owned by Jordan, Marsh & Co., dry goods merchants, on Bedford street, at the corner of Kingston. The great fire of 1872 broke out at the corner of Kingston and Summer streets, and the alarm of today's fire was rung in from the same block which heralded the memorable conflagration that consumed nearly \$100,000,000 of property. The first alarm rung in today was immediately followed by the first general alarm in Boston since 1872.

### THE BIG CHICAGO LAND SWINDLE.

Scandinavians Pay for Real Estate but are Deceived of Titles.

CHICAGO, Nov. 26.—Sensational developments are following each other rapidly in the million dollar swindle of Fredericksen & Co., land agents. To-night it is asserted that a thousand of the settlers, mainly Scandinavians, in Kansas, Iowa and other Western states, who had, as they supposed, paid for their lands and got deeds from Fredericksen, have absolutely no title to them. Dark hints are dropped that back of Fredericksen were parties in Milwaukee, who are the real beneficiaries of the gigantic fraud.

### AGAINST LAND GRABS.

Montana's Big Fight Against the Northern Pacific.

THE MINERAL LAND CONVENTION.

Millions of Acres Unsurveyed—The Surveyor General's New Plan.

HELENA, Mont., Nov. 28.—The mineral land convention which convenes here tomorrow has unquestionably several tasks before it and will have to enter into a bitter fight with the Northern Pacific railway over the mineral lands to which the company are trying to obtain title. Some of these lands have been known to contain mineral and have been worked years before the Northern Pacific reached the company would mean ruin to a large number of men who have spent years of toil and all their means in the development of these claims. Just what the outcome will be and what course the convention proposes to pursue, is all a matter of conjecture at the present writing. The people are aroused to the importance of the subject and interesting meetings may be expected.

### DISASTROUS TO SHIPPING.

New York, Nov. 27.—Advices come in from the North of a severe storm. At Toronto the gale is terrific. One vessel has gone ashore and several lives are lost, while the fleet of loaded schooners anchored in the bay awaiting wharf rooms fast going to pieces. Through the Mohawk valley several inches of snow has fallen.

### MINNEAPOLIS, NOV. 27.

A dispatch from Littlefield, Minn., says a genuine blizzard set in here this morning. Snow has fallen to the depth of three inches and drifting badly.

### LOOKING OVER THE RUINS.

LYNN, Mass., Nov. 27.—The city is patrolled by militia, 250 men being on duty, stationed at the entrance of the ruined streets, barring approach to the burned district. The guard is strict. Guards are stationed at the stores, which have been partially cleaned out, to prevent thieves from taking what is left. No one is permitted to pass the Guards without a permit from the city clerk.

### CHICAGO, NOV. 28.

A dispatch from Winnipeg says that the police have discovered that the man Inglis, who acted as the custodian of the relief fund of Spokane Falls at the great fire, and who, it is alleged, skipped with a large amount of money, was in that city this week scattering money liberally in his hands.

### PHILADELPHIA, NOV. 28.

Christ Klein, 14 years of age, is lying in a critical condition, which is the result of excessive cigarette smoking. About a year ago he was taken violently ill, having several fits. On Monday last, his body began to swell until nearly twice its normal size and attending physicians said that death would ensue within twenty-four hours unless perspiration could be induced. After long work this was accomplished, and tonight the boy is resting more easy, with a chance of recovery.

### ALL FOR THE PUBLIC GOOD.

It is an undoubted fact that the handsome vestibule trains that are now run on the American continent are those of the "Burlington Route," leaving the Union Depot in Denver, also St. Paul, immediately on arrival of all through trains from the west. The first and second class coaches are magnificent, and as for the meals that are served in these Palace Dining saloons, they are yumm-yumm. The next time you go east to Kansas City, Chicago or St. Louis, if you mention to the ticket agent that you want your ticket to read "Denver or St. Paul over the Burlington Route," you will get it, and you will always be glad of it.
