A JOURNAL FOR ADVERTISERS. Is issued on the first and fifteenth days of each month, and is the representative journal-the trade journal of American advertisers. It indicates to the rienced advertiser how, when, and where he should advertise ; how to write an advertisement ; how to display one; what newspapers to use; how much mency to expend—in fact, discourses on every point that admits of profitable discussion. Advertising is an art practised by many but understood by few. The conductors of PRINTERS' INE understand it, and their advice is hared on an experience of more than twenty-five years in placing advertising contracts for many of the largest and most encounful advertisors.
