THE AMERICAN PRESS ASSOCIATION

A Good Move.

THE Citizens' Boy Scout Advisory Council is a new organization in Heppner. It was organized last week. It has for its purpose the immediate organization of an active Boy Scout troop, to which it will give its support.

The significance of this organization may well be considered. For the last year or more several fraternal and other organizations of the city have discussed the Boy Scout situation, expressing their wish that an active troop be organized. To this end several committees were appointed. None of these committees knew just where to attack the problem, however, and there was evidenced a lack of willingness of any single organization to carry it through alone.

To bring the situation to a head, a meeting of these various committees was called last Thursday which resulted in the above named council. In this manner the majority of the fraternal organizations of the city and the American Legion have been brought into harmonious action, and through this council the Boy Scout movement will be given the united support of the community in a way heretofore impossible.

Already a scoutmaster has been placed on the job, and preliminary steps of organizing the boys have been taken. By summer-time, a smooth-running organization will have been formed, with the Boy Scouts trained to take advantage of the opportunities offered by this great American institution.

THERE has been some talk of bringing out a Morrow county man for joint representative in the coming May primaries. The republicans of the county should find a man from here for this place and get him into the running, as it is quite well understood that Umattilla county would lay off and give our man a clear field. It has not been possible, so far, to get the consent of some worthy citizen of this end of the district to enter the race, and we may fall down. There are a number that we might think of who could fill the bill, and make a winning race in the fall election, but as these have been approached and do not feel that they are in position to go into the political game just now, we refrain from mentioning names. This county should have the joint representative and we can get it providing a man is found who will consent to get on the primary ballot.

THE condition of the back streets of Heppner these days reminds one that the city might well afford to undertake a program of grading them up and putting them in shape for proper drainage. Besides being an eyesore, it is rather inconvenient for our citizens to have to put chains on their cars in order to get home. The cost of this work, we are sure, would certainly make our little town much more livable this time of year.

A most unusual winter, we hear most everyone remark, and we think so, too. But reports from over the county indicate that it isn't doing us any harm, and it is giving the benefits of the Florida sunshine without the expense of going to Florida. *Ish ka bibble.*
