

**BOARDMAN**

MRS. A. T. HERREM, Correspondent.

Jay Cox returned home Sunday from Heppner where he was operated on by Dr. McMurdo about two weeks ago. He has been at the hospital there. He made a splendid recovery.

The smallpox quarantine has put a quietus on everything over this way so there isn't much news this week. Mumps is the latest diversion for some of the younger set and at last reports Sybil Grace Macomber, two of the Bailey boys, three at the Klages house—Eldon Wilson, Russell Mefford and Caroline Hunt—and one of the Barlow boys were all enjoying a siege of this distressing malady.

A number of Boardman residents motored to Umatilla Saturday night to attend the prize fight. Mr. and Mrs. R. S. Davis, Chas. Dillon, Maurice Goodwin and the Woodards were among the fans who attended.

Maurice Goodwin came last week from Condon. He has been absent for several months, having had a serious operation for hernia in The Dalles in the early fall.

Wm. Dill of Portland was a visitor at the Ralph Dugan home on Friday. Mr. Dill is a representative of the Columbia Tire company. His daughter was a former schoolmate of Mrs. Davis.

Mrs. A. Koski has recovered from a severe cold from which she has been suffering the past week.

Esther Imus is the latest victim of the smallpox, and the Imus home is floating a red flag for the time being.

Sid McReynolds of Pilot Rock arrived Saturday for a visit at the home of his sister, Mrs. N. A. Macomber and family.

Balleters returned home the latter part of the week from Rock creek where Mr. Ballenger has purchased some hay. The Smith Dugan crew is baling it.

Chas. Nizer has a fine bunch of lambs already.

Earl Olson was knocked from the table of the baler on Monday of last week and had his right arm badly fractured. This was an unfortunate accident indeed, and it is hoped that no permanent injuries result. Earl attended O. A. C. the first semester and planned to return again in the fall. He was taken to the hospital at Portland where the fracture was set.

Mr. and Mrs. Guy Barlow and Leita were Heppner visitors on Tuesday.

Nels Kristenson has gone to the island to work for a time.

Mr. and Mrs. R. Nethercott motored to Lewiston, Ida., Sunday, taking Mr. and Mrs. Nickeson home, and returned Monday.

**LEXINGTON**

Ray McAlister arrived Monday evening from Portland where he has been for some weeks taking medical treatment.

Mr. and Mrs. Louis Frederickson and Frank Frederickson drove over from Irrigon on Thursday. They combined pleasure with business and took in the Lexington-Irrigon basketball game on Thursday evening.

Mrs. Harry Schriever left over O. W. R. & N. Saturday morning for a Portland visit.

Mrs. Elmer Slocum and daughter, Mary, are spending a few days among Arlington relatives.

The auction at the E. S. Miller ranch on Feb. 4 is reported as a good one. About two hundred were in attendance. Bidding was keen and Mr. Miller realized a goodly sum from his sale.

James Leach, Russell Wright and Ray Phillips conducted a dance at the Leach hall on Friday evening of last week. A large crowd was entertained until a late hour.

W. F. Barnett shipped a carload of cattle Sunday to Portland.

Gene Ferguson of Ferguson Chevrolet company, Heppner, will deliver this week to Principal Fred Kelly, a new Chevrolet coach.

Three fine race horses were shipped Monday by Lonnie Copenhaver to Portland.

Mrs. Sadie Lewis was called to the ranch home of Dee Cox Saturday on account of the illness of her small grandsons, Marvin and Lester Cox.

A dozen strong in appetite were the ten Masons who attended the six o'clock dinner given by that body at Heppner Masonic hall on Monday

evening. They were J. F. Lucas, John Carmichael, W. O. Hill, Herman Hill, E. H. Slocum, Geo. Peck, S. S. Strodtmann, J. E. Gentry, Harve and Ray McAlister.

**THE FLASHLIGHT**

A very enjoyable time was had at the residence of Mrs. Bessie Cowdrey last Friday evening. About sixteen people were present to help plan for the dance Saturday. A delicious supper of chicken noodles was served.

Mrs. Ida Bleakman and daughter, Alice, went to Heppner last Saturday. Mrs. Mary McDaniel took her place at the hotel.

Despite the weather, the dance was well attended last Saturday night. The dance and supper were very successful and the evening seemed to have been enjoyed by all.

About forty-five were present at Sunday school last Sunday morning. We consider this very good for a beginning. The work of the superintendent and teachers is proving very efficient.

Singing services were well attended Sunday evening. The young people, especially, are showing much enthusiasm.

The Lexington high school hoopers took a one-sided game from the Hardman high school cagers last Friday night by a score of 37 to 9. Although the score shows a decisive victory for Lexington, yet from the spectator's viewpoint, the game was not at all uninteresting. At times the Hardman team showed spurts of real basketball, but could not keep up the pace of their more experienced opponents. The five-man defense of the local team was almost impregnable, giving the Lexington boys plenty to worry about. The home boys, however, showed that they had an eye for the basket, making 28 of their points from near the center of the hall. "Bus" Gentry was easily the star of the game, with 21 tallies to his credit. Laurence Williams showed up best for the Hardman team. Neal Knights and Harlan Adams played a good floor game, but were unable to drop the ball through the rim.

Following is the line-up:  
Hardman (9) (37) Lexington  
Knights (2) F..... (21) Gentry  
H. Adams (1) F..... (4) Miller  
Farrens..... C..... (6) McMillan  
Williams (4) G..... (4) Slocum  
Batty..... G..... (2) Harper  
Subs.—F. Adams (2), Howell.

This Saturday night will find the Hardman high school basketball team lined up against the strong lone team, on the lone floor. The game should be much less one-sided than that at Lexington last Friday night. Having played one game away from home the Hardman boys should be more able to handle themselves on the larger floor. The starting lineup is very indefinite at present as a few of the regulars are not turning out for practice, and are also breaking training rules, so will undoubtedly be displaced by the substitutes.

Ed Warren, who stays at the Hardman hotel during the winter months, left for Heppner last week to take a job.

**JAZZ DANCES OR MINUET?**

Shall we off with the new and on with the old, reversing the well-known axiom? Miss Bina M. West of Port Huron, Mich., Supreme Commander of the Women's Benevolent Association seeks to aid the revival of old-fashioned dances. But Olive Belle Hanson, daughter of the late Jake L. Hanson ardently advocates jazz and presents a beautiful argument.

**CONDOR GETS VERDICT.**

A case in justice court for a couple of days the past week was that of State of Oregon vs. J. P. Conder, charged by the health department, represented by Dr. A. H. Johnston, that Conder had been treating contagious diseases and failed to make proper report to the department. S. E. Notson, district attorney, appeared on behalf of the state and Conder made his own defense. The case drew a large crowd in the court of Justice Cornett, and is reported to have furnished an abundance of

amusement for all attending. On behalf of Conder, J. S. Beckwith, court reporter of Pendleton, was on hand to take down the voluminous testimony. The jury, after due deliberation on the case, returned a verdict of "not guilty."

**DR. KETTLE LEAVING IONE.**

W. W. Kettle of Ione, Oregon, visited Joseph Tuesday and made definite arrangements to locate there February 15, states the Joseph Herald. Dr. Kettle had some correspondence with the commercial club there last

fall relative to locating at Joseph at that time, but did not decide to do so. After visiting Vale and Ione, he decided to locate at the latter place. After a few months residence there he has concluded that he would not care to remain there permanently and decided to visit Joseph. He was well pleased with the situation and reached a conclusion to locate in the upper Wallowa valley city after spending a few hours there.

The Great Emancipator      The Father of His Country

**Keeping Faith With Their Ideals**

**WE STOP** this month to honor these men, whom, of all great Americans, have left to us our most revered heritages. Let us strive to so live that we may make of these heritages a verity, and thus, far more than than in empty epigraphs, do honor to their memory. A successful life, such as these men have exemplified can only be had through **thrift**, one of the first teachings of these two honored seers.
