The high school is diligently working on the play "Bashful Mr. Bobbs," a farce-comedy in three acts, to be given March 13. John Conder takes the part of the bashful one. Joan Graham, the leading lady, is played by Helen Bennett. William Mishey is Obadiah Stump, "a slicker with the wimmin folks," and his girl, Julie, is played by Rosella Doherty. Twila Morey ably takes the part of Mrs. Wiggins, the hotel landlady. The parts of Marston, Celesta, Francis, Rosalie, Frederick and Katherine are taken respectively by Alfred Sibley, Mildred Schmidt, Bertha Sepanek, Bernice Sepanek, Claud Conder and Margaret Melville.

This play promises to be even better than "The Masonic Ring," presented here last November. The proceeds are to be used for a payment on the piano which we hope to finish paying for soon.

Mr. and Mrs. J. H. McDaniel were Heppner visitors last Saturday.

THE FLASHLIGHT

Published Weekly by Hardman Union High School.

Remember the following events on Saturday, March 6: Basketball game, lone vs. Hardman; big dance, big supper.

St. Patrick's program, March 20. "Of the Irish, by the Irish and for the Irish" is the best way to describe the program to be given by the high and grade schools Saturday, March 20. We are all Irish on St. Patrick's day. This spirit will be extended until Saturday when the best program of the year will be given in the high school auditorium.

The outcome of the basketball game with Heppner last Monday night is just the old story over again—lack of endurance. The score board shows that the Hardman team lost the tussle.

by a 16 to 6 score. At the end of the first half the score was tied at 4-4.

For four minutes in the third quarter the Hardman boys led by two points. But from then on the Heppner team had things their own way, dropping in counters from all angles. Paul Hisler performed best for Heppner, while Kenneth Batty showed up best for Hardman. Batty played a strong defensive game, giving his man very few points.

The last game of the season will be played in the Hardman hall Saturday when the lone team battles with the Hardman boys.

Lone participated in the district tournament at Milton last week, and will undoubtedly endeavor to make use of some of the pointers gained there. The game in all probability will be fast and close, with a great many thrills for the spectators. Everyone who considers himself a true Hardmanite should prove his loyalty by turning out and rooting the home team to victory. Let's pep up a bit and get behind the school and thus help make the evening a social and financial success.

The dance after the game promises to be the biggest attraction of the season. The best music in the country has been secured and the weather man promises ideal weather. The roads will be in excellent condition. Bring your friends.

The high school mothers are preparing a "feed" that threatens to eclipse all past attempts at serving.
