17 H. S. STUDENTS TO GET DIPLOMAS

Commencement Week to
Start Sunday With
Baccalaureate.

FINISH NEXT FRIDAY

Examinations, a Holiday Thursday.
With Junior-Senior Banquet in
Evening Other Events.

With the close of the 1925-26 school year only a week away. Commencement plans and baccalaureate affairs are taking precedence over all other school and town events, as they do about this time every year. Unless some unforeseen scholastic disasters occur, the class this year will number seventeen, more than last year.

Sunday evening, May 16, Rev. W. O. Livingstone, formerly pastor of the Christian church here, will deliver the baccalaureate address, talking on the topic "The Perils of Success." The complete program for this service is:

Processional DeKoven

High School Choir

Invocation Rev. E. C. Alford

Invictus Hahn

High School Choir

Sermon Rev. W. O. Livingstone

Hymn, Portuguese Congregation

Benediction Rev. Alford

Then between this service and the culmination of Commencement will be three more days of regular school work, two of them to be devoted to examinations. Thursday there will be no school, and all high school students are planning a lively day, with a track meet in the morning, and a swimming meet in the afternoon.

The junior-senior banquet will be held Thursday evening, May 20. For this occasion the lower class is planning a regal time for the seniors.

Friday cards will be given out, and that night there will be the Commencement program. The Junior class, following tradition, will decorate for his event, which will take place in the high school auditorium at 8:00 p. m., Friday, May 21.

For this Dean Alfred Powers of the University of Oregon Extension Division, will be the speaker. He will address the graduates on the subject "A Good Personality." Dean Powers needs no introduction to many Heppner people who have heard him speak before. He is an extremely interesting talker, and more than that, he always has an inspirational message.

Other numbers on this program will be:
Overture High School Orchestra
Processional High School Chorus
Invocation Rev. M. W. Bower
"To a Wild Rose" MacDowell
Commencement Address: Alfred Powers

Presentation of Diplomas

Selection High School Orchestra

Benediction Rev. Bower

Members of the graduating class are: Mary Case, Bernard Dreyer, Clifford Driscoll, Charles Hirt, Clayton Lawson, Duck Lee, Irene Logren, Howard McDuffee, Lucile McDuffee, Irene Peck, Margaret Prophet, Leonard Schwarz, Crockett Sprouts, Flossie Stender, Robert Tash, James Thomson, and John Turner.

Cutworms Prevalent; Are Readily Controlled

Cutworms, more numerous this year, are doing more damage than for some years past, according to reports received by County Agent Maurice. These pests are readily controlled by the poison bran mash. This material, when properly prepared and applied, is preferred to the vegetation by both cutworms and grasshoppers. The expense is not prohibitive and the results are quick and sure. The poison mash is prepared as follows: Coarse bran, 25 lbs.; Paris Green or White Arsenic, 1 lb.; Salt, 1-4 lb.; molasses 1 pint.
Use water to make a coarse, crumbly mash. The white arsenic and dry bran are first mixed thoroughly in a container. In another vessel stir a pint of cheap molasses or sirup in 3 or 4 quarts of water. Then prepare a mash by slowly adding the mixture of molasses and water to the poisoned bran. If too dry more water may be added. The mash, however, should not be made too sloppy; it should fall apart readily in the hand after being pressed together.
Scatter thinly over the surface of the soil along the rows of plants after sundown.

RAY McDUFFEE GETS HONORS.
Oregon Agricultural College, Corvallis, May 10.—Ray McDuffee of Heppner has been pledged to Kappa Phi Delta, professional education fraternity. Achievements in scholarship and activities are taken into consideration by the fraternity in pledging new members. Membership is confined to men intending to enter the teaching profession who have a scholastic average of 85 per cent or above. McDuffee is a junior in vocational education and a member of Psi Chi fraternity, of which he is manager.

DO YOU KNOW
that our regular prices on PATHE-FINDER tires are lower than mail order house prices—and you get the benefit of our service besides?
HEPPNER GARAGE.

Clarke Phillips, Magician and Ventriquist at Star Theater Tuesday and Wednesday, May 18 and 19.

CIRCUIT COURT HOLDS SESSION THE PAST WEEK

Grand Jury Has Busy Session and
Reports 14 True Bills; Many
Civil Cases Settled.

A short session of circuit court was held at Heppner the past week, when Judge Gilbert W. Phelps came over from Pendleton and heard such matters as could be presented on Friday and Saturday. Several civil and one criminal case were disposed of and cases set down for hearing at the regular June term, beginning the second Monday in next month.

The grand jury had been called the first of the week for the consideration of such business as might be brought to their attention, and they had a very lively six days' session, at the end of which they brought in the following report:

"We, the undersigned, duly empaneled and sworn as grand jurors for the June term, 1926, of the Circuit Court of the State of Oregon for Morrow County, and continued for the December term, 1925, of said court, respectfully submit to the court the following report:

"We have found fourteen true bills and three not true bills. We have investigated all matters pertaining to the violations of criminal statutes of the State of Oregon committed or triable in this county, which have been presented to us or which we have had knowledge. However, there are a number of matters the investigation of which we are unable to complete owing to the fact that witnesses are not available and cannot be subpoenaed within several days, and also owing to the fact that we believe that there are matters which should be investigated further by the District Attorney to determine whether further evidence is available. For these reasons, we would respectfully request that we be permitted to separate at this time and come together at a later date, upon order of the Court to complete such investigations as we can not now complete.

"We have examined the offices connected with the administration of justice, and find the same well kept, as far as we can ascertain. We have inspected the county jail and find it in very good condition. We would renew the recommendation of a former grand jury to the effect that there be added to the county jail at as early a time as may be possible, a woman's ward and a padded cell for the violently insane. We would also recommend that a picture on the walls of the jail, which is, in our opinion, objectionable, be removed.

"We have inspected the county poor house, and deem it unnecessary to make any recommendation in regard to it.

"Dated this 8th day of May, 1926.

"T. J. JONES, Foreman.

"A. P. PARKER.

"FRANK MONAHAN.

"E. H. TURNER.

"E. C. HELIKER.

"ARTHUR GERGENS.

"J. O. TURNER."

Before leaving Heppner Judge Phelps made disposition of the following cases:

Heppner Farmers Elevator Company vs. Ed Buschke; default and judgment.

Annie Marshall and John Marshall vs. Mike Marshall; demurrer overruled and twenty days to answer.

Annie Marshall and John Marshall vs. Joe Curran; demurrer overruled and twenty days to answer.

Bowman-Hick Lumber Co. vs. J. B. Kenny and Hugh O'Rourke; demurrer of J. B. Kenny overruled by consent of ten days allowed in which to further plead.

Credit Service Co. vs. H. L. Fisher; default and judgment.

Walter T. Greathouse vs. Timm & Sons; demurrer overruled, twenty days to answer.

B. S. Huntington, H. S. Wilson and W. M. Huntington vs. Wm. Padberg; amended complaint filed.

Goodyear Rubber Co. vs. H. L. Fisher; default and judgment.

Margaret Doherty vs. John C. Doherty; suit to collect on note; default and judgment.

Ruth Hottman vs. O. B. Hottman; demurrer overruled, ten days to answer.

J. E. Musgrave vs. May Musgrave; demurrer overruled, fifteen days to answer.

H. F. Launty vs. Charles Dale Albright, et al.; default and judgment.

Anna Natter vs. Willis Stewart, et al.; default and decree as to certain defendants; default as to all.

Federal Land Bank of Spokane vs. Harvey G. Cosen, et al.; default and decree.

State of Oregon vs. Henry Baer; three indictments; placed under bond of \$1000 on each count.

State of Oregon vs. Kenneth Mahoney; two indictments; bonds of \$1000 on each count required.

State of Oregon vs. Edmund Bucknum; plead guilty to charge of transporting liquor; fined \$250 and sentenced to 30 days in county jail.

State of Oregon vs. Walter T. Bray; bond required in justice court continued.

State of Oregon vs. John J. Kelly; bond of \$2000 required.

State of Oregon vs. Cleve Adkins; justice court bond of \$1000 continued.

HOUSE BURNS AT BOARDMAN.

Word reaches Heppner that the residence of Mike Marshall, at Boardman, with all its contents was totally destroyed by fire on Tuesday night. As to the origin of the fire, we are not informed, but there was apparently no chance to save anything, according to the report.

LOCAL NEWS ITEMS

Miss Lorena Palmateer writes friends at Heppner that she has arrived at Albuquerque, N. M., and that she is well situated at Sunset Lodge in that city, where she is receiving the very best of attention and getting along nicely. It was largely through the help of Heppner people that Miss Palmateer, formerly high school teacher here, was enabled to go to the southern country where it is hoped that the climatic conditions will greatly aid her in overcoming her affliction. For the past two years Miss Palmateer had been in an open air sanitarium at Spokane. Her many Heppner friends will rejoice to know that the changed conditions are proving beneficial to Miss Palmateer.

A week-end visit by the editor of the Gazette-Times to Joseph, Wallowa county, reveals the fact that there is a fine prospect for crops in that portion of the state and in Union county. The crops of all kinds are coming along well, and barring late frosts there will be an abundant yield. Mr. and Mrs. Raymond Ferguson, Miss Mary Crawford and the editor made the trip over and Mrs. V. Crawford, who had been spending the week with the Joseph relatives returned home with them Tuesday morning.

Dr. Johnston reports that Harvey Scott, who was operated on ten days ago for the removal of tumor from the bladder, is improving and should be able to leave the Morrow General hospital soon. A few days previous to the operation, Mr. Scott fell down a feed shoot in the barn at the ranch and dislocated his shoulder. This fall made worse the bladder trouble from which he had suffered for a number of years. The operation was done under local anesthetic.

Mr. and Mrs. Herbert Olden of Fairview were visitors here today. The crop situation in their part of the county remains excellent, with promise of abundant yield. A guest at the home of Mr. and Mrs. Olden this week is Mrs. J. C. Ware of Olympia, Wash., mother of Mrs. Noel Dobyns, who is visiting with the Olden and Dobyns families.

A sale of farm and harvesting machinery, horses and cattle will be held on Saturday, May 22, at the farm of Mrs. Frances Rood, administratrix. The sale begins promptly at 9 a. m. to continue until the property is disposed of. Much good property will be offered at this sale.

Dr. Coberth of The Dalles was called in consultation last week with Dr. Johnston for Mrs. Dean T. Goodman, who was very ill at the Morrow General hospital. Dr. Johnston reports that Mrs. Goodman is much improved and now able to have visitors.

Mr. and Mrs. Archie Ball of Ione are the proud parents of an 8-lb. daughter, born at the Morrow General hospital in this city on May 7. Dr. Johnston reports mother and baby doing fine.

Miss Ona Gilliam, graduate nurse of this city and Miss Fleming graduate nurse of The Dalles are assisting at the Morrow General hospital.

William D. Imrie of Pontiac, Ill., is a visitor at the home of Mr. and Mrs. P. M. Gemmell in this city. He is an uncle of Mrs. Gemmell.

Clarke Phillips, Magician and Ventriquist at Star Theater Tuesday and Wednesday, May 18 and 19.

O. E. Johnson and Ernest Cannon were Hardman ranchers doing business in the city today.

A. A. McCabe and Grant Olden were Rhea creek farmers in the city today.

Experienced girl wants domestic work. Box 498, Heppner. 7-8.

Colorado Beetle Doing Damage to Potatoes

The Colorado potato beetle is doing much damage to potato fields in Morrow county this year, according to the county agent. These pests are easily controlled and should be poisoned as soon as they appear in the spring. In most parts of the county there are laying eggs now on the undersides of the leaves and it will be necessary to spray for them again when these eggs have hatched. Lead arsenate or calcium arsenate are the preferable poisons. Paris Green will kill them but there is some danger of burning the potato vines if it is put on too thick. Use the poison at the rate of two pounds of powder to fifty gallons of water and spray over the vines. On small patches they can be readily controlled by dusting with a mixture of one part by weight of lead arsenate or calcium arsenate and six parts by weight of sifted wood shavings, air slacked lime, or sulphur. Be sure the materials are thoroughly mixed and apply when there is no wind blowing. Placing the dust in a gunny sack and shaking it over the vines is a good way to apply the dust.

MRS. BISBEE INJURED.

While on the way out to Condon last Thursday afternoon, the car of Mrs. J. W. Beymer left the highway a short distance out of Arlington and was somewhat wrecked by going over the bank. Mrs. Beymer was driving and riding with her was her sister, Mrs. L. E. Bisbee. Mrs. Bisbee received a severe cut on the scalp that required ten stitches to close, and also received bruises, while Mrs. Beymer escaped injury. Dr. Gesner of Arlington attended Mrs. Bisbee, and after the ladies had rested at the home of Mr. and Mrs. Art Wheelhouse in Arlington they were brought to Heppner by Chas. Thomson who had arrived in the meantime. Just what caused the car to leave the highway is not known, but it was evidently some fault with the steering gear.

Boys' and Girls' Clubs To Receive Charters

In recognition of the work accomplished in the Boys' and Girls' clubs of Morrow county last year, charters are to be presented to two organizations of Morrow county by the United States department of agriculture through the extension service of the Oregon Agricultural College. The charters have arrived at the office of Superintendent Helen Walker in this city.

The organizations to receive the charters are Garden club of Heppner and Willing Workers Sewing club of Echo.

C. J. Walker is leader of the Garden club of Heppner, and Mrs. Maggie Carlson leader of the Willing Workers Sewing club.

The names of W. M. Jardine, secretary of the United States department of agriculture; J. A. Churchill, state superintendent of public instruction; Paul V. Maria, director of extension work, and H. C. Seymour, state club leader, appear on the charters.

Masons Head League; Beat Knights Tuesday

By winning from the Knights last Tuesday, after having defeated the Elks the week previous, the Masons head Heppner's twilight ball series. So far three games have been played with standings as follows: Masons, won 2, lost 0; Elks, won 1, lost 1; Knights, won 0, lost 2.

Tuesday's game was the most closely contested yet, the score being 5-3. The Knights looked more like a ball aggregation than on any previous occasion, and aside from piling up some ten errors which cost them the game, they made some good plays at times.

In the third inning after the Masons loaded the bases, the K. of P.'s gave them a big surprise by not allowing a run. A double play wrecked the merry-go-round. Charles Barlow pitched stellar ball for the Knights, while Olson and Hill were moundsmen for the opposition. Richard Peterson, at second base for the K. of P., strengthened the infield materially. Two base blows were made by Finch and Hill, Masons.

Friday evening the Knights and Elks clash.

Religion Is Example of Evolution, Dr. Millikan

University of Oregon, Eugene, May 12.—Forty-nine new members were initiated at the joint meeting of Phi Beta Kappa, scholastic fraternity, and Sigma Xi, honorary scientific fraternity, Friday, with Dr. Robert A. Millikan, noted physicist as guest of honor.

Dr. Henry D. Sheldon, chairman of the administrative committee and dean of the school of education, was initiated as an honorary member.

While on the campus Dr. Millikan, discoverer of the Millikan ray and winner of the Nobel prize in physics, discussed religion and science. The feeling that they are antagonistic in theory is a mistake if a person is willing to make the right kind of definitions, Dr. Millikan stated.

"Religion itself is one of the most striking examples of evolution we have anywhere about us, as is being said by all reflective thinkers," Dr. Millikan said, but creeds and churches, he pointed out, must, like pure science, learn to walk humbly with God.

J. K. Horner, U. of Okla., Comes to U. of Oregon

University of Oregon, Eugene, May 12.—J. K. Horner, of the University of Oklahoma, one of the best known debate coaches in the middle west has accepted the position of assistant professor of English to handle public speaking at the University of Oregon. It was announced today by James H. Gilbert, acting dean of the college of literature, science and the arts.

Mr. Horner is state chairman of the National Peace Oratorical association, national vice-president of Delta Sigma Rho, national foristic president, and president of the Missouri Valley conference. His graduate work is being done at Harvard university. He has taught four years at Oklahoma, his record there being outstanding.

After teaching in summer school at the University of Texas, Mr. Horner will come to Eugene.

INDIANS COMING SUNDAY.
The Cayuse Indian fast ball nine from Umatilla county will play Heppner on the local diamond Sunday. The Indians are a go-gettum bunch, and expect to take Heppner's scalp. Heppner has a chance, however, as is shown by comparative scores with La Grande. The Indians defeated La Grande 11-6, while Heppner took the same gang to the cleaners 8-5.

EYE SIGHT SPECIALIST.
Dr. Clarke will be in Heppner all day and evening, Wednesday, May 19, at the Hotel Heppner. See him about your eyes. He makes regular monthly visits to Heppner. All work strictly guaranteed. Clarke Optical Co., Merchant's Trust Building, Cor. 8th and Washington, Portland, Ore. (Successors to Clarke-Stram Optical Co.)

Mrs. Arthur McAttee, who was operated on at Morrow General hospital Sunday, was able to return home today, being much improved.

FOR SALE—Deering combine, motor and machine in good condition. Cecil Sargent, Ione, Ore.

HIGH SCHOOL ITEMS

The Junior Carnival held last Friday at the Fair pavilion, proved a great success. The proceeds, amounting to more than one hundred dollars, will be used for giving the Junior-Senior banquet, which will be held Friday.

C. E. Lewis, a producer of northern pictures, who is here in connection with one of his latest productions, "North of Nome," gave a short talk to the assembly Monday afternoon. Although the chief topic of his address was the characteristics of "Kobuck" and "Nome," the two large dogs he had with him, he also told a few facts concerning the climate and scenery of Alaska.

The sophomore class president called a meeting on Monday to decide whether or not the class was going to have their semester party. As the funds were very low the party was voted down.

The members of the Heppner school faculty were hosts at a banquet given Monday evening, May 10. The invited guests were Mrs. and Mr. Chas. Walker, Mr. and Mrs. E. R. Huston, Mr. and Mrs. Vawter Crawford, Mr. and Mrs. Chas. Thomson, Mr. W. O. Dix, Mr. and Mrs. S. E. Notson and Mrs. C. G. Smith.

An orange and green color scheme was used throughout the menu, consisting of orange cup cocktail, pickles, olives, buttered potatoes and peas, creamed chicken in patty shells, vegetable salad, French pastry, salted nuts and coffee.

The semester examinations are to be held on Tuesday and Wednesday of next week. An hour and a half will be given to each examination.

The baccalaureate sermon is to be delivered to the senior class on Sunday, May 14, at the Christian church. The minister has not yet been secured.

The nominations for student body officers for next year were made at a meeting on Tuesday, May 11. At this meeting the senior class brought up their platform, which included: a better financial system, a stricter vigilance committee, better supervision of the sub-freshmen. Their candidates were: Merle Becket, president; Louise Thomson, vice-president; Letha Blatt, secretary; Bobby Turner, treasurer; Jack Castee, sergeant-at-arms. Other persons nominated were Ruth Furlong, president; Marjorie Clark, vice-president; Aura Gentry, vice-president; Elizabeth Elder, secretary; Orrin Bisbee, treasurer; Valoie Bramer, sergeant-at-arms.

PLEASANT DAYS.
The days of spring and early summer are wonderful days, and human nature would not be human if it did not respond. But we ought to be unselfish enough to remember that the gifts of nature are God's gifts to his children and that if we are grateful children we can not neglect God's Word or His House.

Bible school, communion service and Christian Endeavor will follow the usual order at the Church of Christ on Sunday. At the morning preaching hour, however, the pastor will be at Hardman. The evening service will be given over to the high school baccalaureate.

MILTON W. BOWER, Minister.

SOME PRINCIPALS AND TEACHERS ORGANIZED IN CAMPAIGN TO CONTROL EDUCATION THROUGH STATE SUPERINTENDENT'S OFFICE.

(Portland News, May 11, 1926.)
Attempt to control education in Oregon by a loosely organized, but far-reaching political machine, was revealed Monday by an investigation conducted by a News reporter. The machine, which has introduced political propaganda into the city's public schools, has for its primary object the defeat of W. C. Alderson as state school superintendent, and control of the school through a man of the machine's own choosing.

Principals and teachers have been organized, to an unknown extent, political subjects have been discussed with school children, and political propaganda spread among them.

Numerous complaints from teachers and parents sent the News reporter out of the machine's trail.

The machine is out to beat W. C. Alderson in any way possible. The only objection to the candidate is that he is a "politician." This is the only outspoken objection, but underneath, the machine is out to "get" Alderson because he refused to "play ball" with it or submit to its dictations.

Propaganda Left on Teacher's Desk.
Teachers upon entering their school rooms have found open position propaganda, petitions and other such political material on their desks. Many of these teachers signed the petitions and distributed the propaganda, because they were advised that their positions were "political" and unless they "played ball" trouble would ensue.

School supply houses have been approached by machine solicitors seeking campaign funds in behalf of the school machine candidate.

Engraver's Agent is Machine Worker.
One of the most active supporters of the school machine candidate is traveling agent for a Portland engraving company which manufactures cuts to be used in illustrating high school annuals.

Frantic letters have been sent out by the machine committee soliciting the endorsements of business men for their candidate.

Alderson has consistently defeated the school machine candidates and it is partly due to his success in the past to do so that the machine is making such an effort during the present campaign to defeat him.

DECLAMATORY MEET DRAWS LARGE CROWD

Auditorium Taxed to Capacity;
Ione Speakers Take All
First Prizes.

Morrow county's first declamatory contest more than justified itself, in the opinion of both those who arranged it and those who attended it, and without a doubt it will become fixed in the annual spring calendar as an attraction of first magnitude. The Heppner high school auditorium was filled to capacity, and some time before the program began people were being turned away.

Ione easily carried off first honors, with Lexington and Heppner placing respectively second and third. A number of other schools in the county were also represented. In fact, there were few corners or crevices of the county which did not have at least one aspirant for the very attractive medals which were awarded to the winners.

Those who received gold medals for placing first in their separate divisions were: (1) oratorical selections, lower four grades, Eugene Normoyle, Ione; upper four grades, Hazel Padberg, Ione; high school, Frank Madison, Ione; (2) humorous selections, lower four grades, Francis Bryson, Ione; upper four grades, Geneva Peterson, Morgan; high school, Richard Lundell, Ione; (3) high school dramatic division, Nera Agee, Ione.

Silver medals signifying second place went to: (1) oratorical selections: first four grades, Erma Lane, Lexington; upper four grades, Cornett Green, Heppner; high school, Eva Padberg, Lexington; (2) humorous selections, lower four grades, Viola Kirk, Heppner; upper four grades, Opal Stapleton, Blackhorse; high school, John Conder, Alpine; (3) high school dramatic division, Evelyn Swindig, Heppner.

Judges for the contest were Miss Card and Mrs. Erickson from Arlington and Superintendent James of Pilot Rock.

A musical program was given by the Heppner high school glee clubs and orchestra, with solos by Marjorie Clark.

Wheat in This County Injured Slightly Only

While it has not been the privilege of the G. T. scribe to visit the various sections of the county, we have gleaned some information concerning the recent extreme hot spell, and the damage done to the wheat crop. In some localities the wheat looks much worse than in others, and there is evidence of slight damage. The heat wave caused the grain to turn brown, and the thin spots in the fields were those that seemed to suffer most. However, upon close examination it was found that no damage had occurred to the heads and stems, and the drying up of the leaves will not be other than beneficial.

COMMITTED TO ASYLUM.

John F. Nolan, of Ione, whose disappearance was mentioned in these columns last week, was taken in charge at Pendleton, and on May 4th was examined as to his sanity and committed to the Eastern Oregon hospital in that city, his examination being held there by consent of the Morrow county officials. It is hoped that after receiving proper treatment at the hospital, Mr. Nolan will be able to return home and take charge of his business affairs.

AUXILIARY PARTY A SUCCESS.

We owe an apology to Heppner Unit, American Legion Auxiliary, for overlooking mentioning their party, held a week ago last Monday in their headquarters rooms in the McMurdo building. The affair, at which bridge was played, was attended by about forty couples and a fine time was had by all. The prizes awarded were made by the disabled veterans in hospital 77 at Portland, and consisted of a beautiful serving tray and a leather bill fold.

WILL HAVE NEW QUARTERS.

Rooms are being fitted up in the building adjoining the Gazette Times office, and as soon as completed they will be occupied by Jos. J. Nys, attorney, and the Heppner city council. At present these offices are in the Hymphreys building, up-stairs. Ed Chinn occupied this building formerly with his restaurant, and for several months past it has been standing vacant.

SWIMMING POOL TO OPEN.

The American Legion Post announces that their swimming pool will be open to the public on May 15th. Everything is being fixed up for the opening and there is no doubt but what the weather conditions will be such by that time that the pool will be greatly enjoyed.

CARD OF THANKS.

We wish to sincerely thank all those who so kindly assisted us and proffered their tender sympathy during the recent illness and death of our beloved wife and mother. Especially do we thank the Rebekahs and other friends for their assistance and beautiful floral offerings.

W. H. Ayers.

E. L. Ayers and family.

Mrs. Pearl McConkie and family.

RHEA CREEK GRANGE.

Rhea Creek Grange meets the first Sunday of each month at 10 a. m., and the third Friday night of each month at 8 p. m. Visiting members welcome.

This Week

A Sports Window. Our Women Homely. Rubber! Too Big for Them.

It was decided to put a "Sports Bay," a beautiful window of colored glass, in the \$25,000,000 Protestant Episcopal Cathedral of St. John the Divine, in New York.

As originally planned, the "Sports Window" for the Cathedral included a picture of live birds released from a trap and shot dead for the amusement of "sports."

If, however, a modern Christian cathedral really needs a sports window, why not have a nice stained glass picture of Jack Dempsey knocking out Mr. Wills, the colored man. That, at least, is legal in New York state.

A Thibetan lady named Rin-Chan Lha-Mo says, "Western women are not good-looking." Meaning Americans, English, French, etc.

The lady says our women's noses and ears are too big; noses like kettle-spouts, ears like pigs' ears, eyes a silly blue like children's marbles, eye sockets too deep, eyebrows too much like those of monkeys.
