OREGON or Portland Only? Says the "Portland school machine" organ, the Oregon Voter: "Portland by its immense voting power practically controls the selection of superintendent. . . . We have it in our power to impose our will on all the schools of Oregon outside of Portland." The superintendent referred to is the state Superintendent of Public Instruction and this "machine" is trying to dictate to the voters the election of ITS choice for this important office. Fred J. Tooze, opposed by this machine, urges state-wide uniformity of textbooks. (Compare his statement in the Candidates' Pamphlet with those of his opponents). He supports a definite normal school policy for the entire state including a normal school for Eastern Oregon; greater emphasis on the fundamental subjects, and vocational training; immediate survey of the loan textbook plan for legislation; and improved conditions for the rural schools. If you want a school superintendent who is under no obligations to any political machine, school clique, or individual and thoroughly trained in normal college and university, experienced and successful in rural, village and city schools. Vote for FRED J. TOOZE Republican Candidate. (Paid Adv.)

STEIWER REPUBLICAN For U. S. SENATOR The strongest opposition to Fred Steiwer is found in the democratic party. Democratic politicians and newspapers brand Steiwer as an enemy of the direct primary. They cry "conspiracy" and seek to lead people to believe that Steiwer would abolish the direct primary. Nothing is further from the truth. Steiwer's enemies are doing everything in their power to shatter the great strength of public approval that is back of Steiwer. They fear him They know they cannot defeat him in the general election. Steiwer will be a credit to Oregon in the United States Senate. He is clean, energetic, capable and aggressive. His record as a public official is flawless. A Vote for Steiwer is a Vote For a Republican Victory
