

**MORGAN**

(Received too late for last week.)  
 Wate Crawford of Ella was calling in Morgan Monday.  
 Mr. and Mrs. H. O. Ely and W. F. Palmateer were transacting business in Heppner Tuesday.  
 Mr. and Mrs. Ellis Minor were calling in Morgan Wednesday evening from their home near Lone.  
 Dean Ekleberry was visiting with George Cochran Tuesday.  
 Several Morgan people attended the declamatory contest in Heppner Saturday night and are proud to say that one of our young girls carried off first prize in the upper grade division.  
 George Cochran visited in Lone Wednesday.  
 Mrs. Esta Bauernfiend was calling on Mrs. Farrens Wednesday.  
 Mrs. Franklin Ely returned home Sunday after a week's visit with her parents in Portland.  
 Morgan and vicinity were visited by several nice rains the past week.  
 Mr. and Mrs. Bert Palmateer were in Lone Saturday afternoon.  
 Mr. and Mrs. Alfred Medlock have moved into the Edwards residence.  
 The lone sewing club entertained the Morgan sewing club Friday.  
 The Morgan Rebekah lodge members are staging three one act plays in the near future. Date will be announced next week.  
 Mothers' Day was fittingly observed last Sunday on the beautiful lawn at the Ellis Minor home and the moth-

ers of Morgan, surrounded by their children, were there in full force. Fathers were permitted on the grounds, but only on condition that they efface themselves as completely as possible. A splendid picnic dinner was served by the ladies and as the day was neither too warm nor too cool the intercourse of the assembled guests was especially enjoyable. Pastor Head of Lone was present and addressed the gathering, paying an especially fine tribute to motherhood in his remarks.  
 Mr. and Mrs. Henry Streeter of Cecil were calling on Mr. and Mrs. Jas. Hardesty Sunday.  
 Several Morgan farmers attended the farmers' meeting at Heppner last Thursday.  
 Quite a number of Morganites were present at the graduation exercises which were held at Lone Friday night.  
 Mrs. Esta Bauernfiend was the dinner guest of Mrs. H. O. Ely Sunday.  
 The Morgan Rebekahs play will be given Saturday night, May 22, at the Morgan school house.  
 Mr. and Mrs. Ralph McCormick spent Sunday evening with Mr. and Mrs. Alfred Medlock.  
 Martin Bauernfiend was transacting business in Heppner Monday.  
 Mr. and Mrs. R. E. Harbison attended the Eastern Star meeting at Lone Saturday night.  
 Roy W. Ritner, republican candidate for nomination for joint representative of Umatilla and Morrow counties, was in Morgan Friday.  
 Harvey Medlock and Howard Hardesty spent Saturday and Sunday in Cecil with Noel Streeter.

There was a very exciting ball game between the Wildcats and the Tigers on the Medlock diamond Sunday.  
**ROY W. RITNER.**  
 Experience counts in every walk of life and particularly so in a legislative body.  
 Roy W. Ritner couples with legislative experience attained by few men in Oregon, the ability to get things done. He is seldom or never what is known as a "solo voter." He trains with the majority and with the inner circle that steers the majority. He always has a good seat on the so-called "steam roller." He does something and he gets somewhere, unlike many an estimable solon who stands well with the home folks but is a virtual nonentity in the halls of the capitol.  
 Ritner has accomplished many things during his two terms in the house and two terms in the senate, of value to the state and his im-

mediate constituents. Two of them—if these were all—entitle him to favorable consideration from the voters. When president of the senate in 1921 he killed the Portland 1925 Fair bill, thus saving the taxpayers three million dollars which would have gone to a needless show, and he helped pass the Market Road bill in 1919. He has been identified from the first with the highway and market road program of the state, and few there are who would have the hardihood to say that this program has not added enormously to Oregon's convenience, wealth and prestige.  
 Ritner is a large and successful farmer and a large taxpayer. He typifies the upstanding and go-getting American, yet withal is a likable man. He commands respect and influence at Salem, and can do much more than a new and untried legislator.—Weston Leader.

**QUALITY AT LOW COST**

Of course you will give **Jewelry for Graduation**

—because no graduation is complete without a token of appreciation and admiration of that first success of Life—and because there is nothing like jewelry for permanency and lasting satisfaction. Nor is there anything that may be given to the graduate that will develop greater appreciation. These suggestions may help you in your selections.

**Thomson Brothers**

**Specially Built for Hillside Harvesting!**

1. Can be used with equal success on hillside or level fields.
2. A real 2-man machine. Bagging platform, centrally located, well balanced. Men work close together.
3. Header platform is parallel to ground at all times. No grain skipped.
4. Operates equally well up hill or down.
5. Cylinder, 24" long, runs on self-aligning, enclosed ball bearings.
6. Five square feet of grate surface beneath cylinder and main beater provides for immediate separation of 80 to 90% of grain at the cylinder.
7. Wide separator (44") permits straw to spread thinly over straw racks for thorough separation.
8. Air blast of shoe fan is distributed evenly over entire area of shoe screen, whether machine is going up or down hill.
9. Recleaning device in addition to shoe—similar in action to fanning mill. Cleans grain thoroughly.
10. Power-operated leveling device. The operator merely moves a clutch lever—the power does the rest.
11. Screens are automatically leveled.
12. All bearings supported on brackets attached solidly to the frame, not to sheet metal siding.
13. Auxiliary engine same as used in Harvester trucks and tractors. Ball-bearing crankshaft.
14. All drive chains are short. Double roller chain and cut steel sprockets on cylinder drive.
