

**BOARDMAN**

**MRS. A. T. HERBIM, Correspondent.**

The annual school election was held Monday afternoon. Three candidates were nominated for director with T. E. Broyles reelected for another term of three years. Results were as follows: T. E. Broyles 29, Clarence Berger 18, Paul M. Smith 15. All three are good men but the fact that Broyles had already been director for two terms and knew school affairs held weight with the community. It is a thankless position at best and a position few men want. Much censure is received by the board members and little praise. This particular community seems to be out of harmony on many school questions but it is hoped that we may have a little better cooperation between teachers and patrons, a little more charity, a little less blame and criticism, that we may start the new school year with a clean slate and all work for the best interests of the community and of our greatest asset, our children.

Assessor Wells of Heppner was a Boardman visitor the fore part of this week.

Rev. and Mrs. C. A. Wagner of Outlook, Wn., were overnight guests at the E. T. Messenger home Sunday and also visited at the Flickinger home, returning to Outlook on Monday.

Mrs. W. H. Mefford and mother, Mrs. Knowlton, went to Portland last week where Mrs. Knowlton will have medical attention. She has been here with her daughter the past year.

Mrs. Geo. Spring and Leo Currey were guests from Thursday until Sunday at the Nick Faler home.

A community picnic is to be held on Monday, July 5th, at Warner's camp grounds. This is sponsored by the Grange but is for everyone. Chas. Nizer and Geo. Mitchell were appointed on the committee to have charge of the sports; W. A. Goodwin to look after the picnic grounds; Walter Knauff, Mrs. Ray Brown, Mr. Chaffee, Mrs. Emma Dillabaugh and Dan Ransier were to see about the dance. A good time is anticipated by all on July 5th.

W. A. Goodwin, Mrs. Ray Brown and Mrs. Chas. Wicklander wish to thank all who helped make the picnic a success on Sunday at the Porter ranch. We will add that these members of the committee worked hard and deserve thanks in turn from the community for the part they played in making the picnic such a success.

The next Silver Tea given by the Ladies Aid will be held on July 7 at the home of Mrs. J. R. Johnson. These teas are always pleasant affairs and are anticipated.

Mr. and Mrs. Geo. Blockman and daughter Alice were week end visitors at the Glen Hadley home from Hardman.

Mr. and Mrs. Nate Macomber and Sybil Grace spent several days in Pilot Rock last week. They brought Wallace Matthews home with them for a visit.

Gloria Wicklander received a bad cut over her eye last Thursday evening while playing in front of the postoffice when her parents were attending Grange. She ran into the mail cart and cut a gash that required stitches to close. It is healing nicely.

Roger Morse, the popular county agent, was a Boardman visitor Sunday from Heppner. Mr. Notson also attended the picnic dinner. Mr. Morse was also present on Monday at the meeting of the potato growers, when it was decided to ship early potatoes with the Three Rivers association. Mr. Shafer of Hermiston told about the association and Mr. Morse also spoke.

Mr. and Mrs. Wallace Ashford and two children of Kelo arrived Sunday for a visit with Mrs. Ashford's parents, Mr. and Mrs. Chas. Hango.

Mrs. Dan Ransier was called to Pendleton on Friday because of the serious illness of her brother, Frank Marlow who was at the hospital and was reported to be very low.

A number of Boardman Grangers attended the meeting of the Pomona Grange Saturday at Ione. Much important business was transacted. Boardman will entertain at the next

meeting of Pomona on the first Saturday in October. The fifth degree was conferred on a class of 22. The Irrigon boys' band played several selections and a fine program was arranged. Ione was a royal host and those from here thoroughly enjoyed the meeting. Mr. and Mrs. Chas. Nizer, Mrs. Shell, Mr. Brice, Mr. and Mrs. Chas. Wicklander and C. H. Dillabaugh were Boardman Grangers in attendance.

Chas. Nizer was pleased to have his nephew and a friend, Ernest Ecklesdator of Grand Rapids, Mich., and Mr. Bolan of Detroit visit enroute to Portland.

Irma Broyles has returned from The Dalles.

Ed Kunzie lost a fine cow last week from bloat. Sweet clover this time instead of the usual alfalfa.

Mr. and Mrs. Truman Messenger of La Grande were overnight guests Saturday at the parental home. They returned Sunday.

Mr. and Mrs. Roy Howell have a fine baby girl born last week at Hood River. Mrs. Howell was formerly Wahnona Rands of Boardman.

Mr. and Mrs. Geo. Johnston and daughter Faye stopped in Boardman for a short while enroute to The Dalles where Mr. Johnston will be employed by the Adison-Miller Co. in charge of the coal chutes. They had gone to La Grande from here but decided to take the position at The Dalles, so they visited at the Paul Demaro home for a time.

Edna Broyles is employed at the Cash Mercantile store since her return from school.

Mr. and Mrs. Ray Brown and family motored to Ellensburg, Wn., a week ago where Katherine will attend State Normal. She will make her home with Mr. and Mrs. Walter Coohon, former Boardman residents. Their son Ellis Coohon (Dumpy) came home with the Browns for the summer.

Mrs. A. P. Ayres was pleased to have her brother and family come Sunday from North Dakota. It had been 33 years since Mrs. Ayres had seen her brother so the meeting was indeed a pleasant one.

Boardman friends will be sorry to learn of the death of Irene Durfee at Nampa, Idaho, recently. She was a granddaughter of Mr. and Mrs. Chas. Weech who formerly owned the ranch where Cooneys now live. Weech's seem to have been heavily burdened since leaving here as they lost their daughter, Mrs. Durfee, their youngest son Tommy, and now their granddaughter.

A jolly party met at Messner last Monday night with Mr. and Mrs. Bobby Smith and Mr. and Mrs. Everett Dugan as hosts. The evening was

spent in dancing and cards. Guests were Messrs and Meadames Lee Mead, Lowell Spagle, Keough and J. F. Gorham. Dixies were served during the evening and a luncheon later.

Lawrence Smith had another piece of hard luck. Just a year ago he broke his arm and on Wednesday of last week he broke it again. The fracture was of such nature that in order to set it the doctor was compelled to break the other bone. He is getting along nicely.

Mrs. Henry Klages was pleased and greatly surprised recently when a fine piano was delivered to her home. This was an unexpected gift from her husband and will prove a source of much pleasure as Mrs. Klages plays beautifully.

Mr. and Mrs. Glen Hadley will entertain on Sunday at a dinner at their home on the east end. Guests will be Mr. and Mrs. Frank Cramer, Mrs. Gladys Gibbons and Norma, Mr. and Mrs. Earl Cramer and Mr. Fortier.

Boardman did herself proud on Sunday when she entertained the members of the land settlement committee from the Portland chamber of commerce. Not since the barbecue have we attempted anything to equal it. A large "welcome" sign and "Old Glory" floating in the breeze hung at the entrance to the Porter ranch where the picnic dinner was held. Long tables set in the shade of the trees, loaded with good things made a beautiful setting, the weather man was kind and the day ideal, the after dinner speeches short, snappy and interesting. S. H. Boardman was the chairman and introduced the speakers. Norma Gibbons gave a recitation, Whitney Bois chairman of the land settlement committee, spoke briefly

telling of Portland's interest in the development of the interior, and told of the work of the committee. He expressed thanks for the fine entertainment provided. Col. E. E. Faville, editor of Western Farmer, gave a clever talk. Marshall Dana, president of the Umatilla Rapids association, and associate editor of the Oregon Journal, spoke of the future of this section. The members of the committee who had this in charge all worked hard, but the result was a splendid example of what cooperation will do. Mention should be made of the music of the Irrigon boys' band. These young lads played very well and with their leader deserve much credit. Mr. Porter assisted greatly in helping make the day a success. The Portland visitors were taken over the project in the morning.

**COURAGE OF CONVICTIONS**

They of 1776 had it—the courage of their convictions.

We of 1926 also have it—should duty call. So we are true to our trust—of National Freedom. But how about your individual Independence? A nation is no more prosperous than its people. Individual Independence is the fruit of hard work and systematic savings—for most of us.

There are more savings accounts in the United States today—than in any other nation in the world.

Have you a savings account numbered in that total? If not you should make this the occasion to resolve for a personal independence through a savings account.
