

A PERSONAL INVITATION

to Celebrate at Heppner

"THE SPIRIT OF '76" calls again as July 4th, 1926, the 150th anniversary of our nation's birth, draws near. We are a favored people, living in a free and prosperous country as a result of that spirit which liberated our forefathers from autocracy and handed down to us the right to "love, liberty and the pursuit of happiness." It is fitting then that we forget our trivial cares on Independence Day, and let joy rule our souls.

Heppner Post No. 87, American Legion, has arranged a high class Athletic Carnival to take place in Heppner July 3-4-5, that will prove a dispeller of gloom for all who come, and will afford means of genuine celebration. Heppner has a good ball team that will be matched with the best teams in Eastern Oregon; a championship wrestling match is scheduled, and other attractions of equally good order are on the program. You will enjoy every minute of it. Therefore, we, the business men of Heppner, wish to commend the American Legion for its good work, and add our invitation to theirs, for everyone to spend a joyous Fourth, or 3-4-5th, in Heppner.
